Rev. W. T. Lewis
Director of Human
Resources & Planning

Dear Fellow Christians:

We are extending an invitation for you to become an active member of the Gospel Music Workshop. The Workshop was founded twelve years ago by Rev. James Cleveland, and has become the largest Gospel organization in the world.

There is representation from 43 States, so why not Nevada? We have a wealth of Gospel Talent here, and I am sure this is a Christian experience that all lovers of Gospel music would enjoy. We welcome choirs, groups, soloists, musicians, quartets, nurses, ushers, ministers, and individuals who just love Gospel music. Our motto is "Everybody is Somebody".

The time is right, for Las Vegas to take its place in the National Organization and become one of the finest chapters in the Nation, so please come out to our meeting on Tuesday August 7, at the E.O.B. Day Care Center, 1818 Balzar, and be a part of organizing our Chapter. The time is 6 p.m.

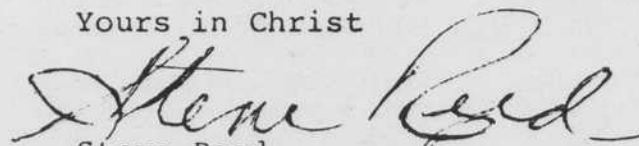

Some of the departments in which you can work are: The Las Vegas Mass Choir (every member of the Chapter is expected to sing in choir, if possible), the Women's Council, the Men's Council, Evangelistic Committee, Nurses unit, Ushers, and Youth Department. All of these auxiliaries will be represented yearly at the State and National Convention.

Our National Convention is held every year in a different State. This year we will be convening in New Orleans, Louisiana, from August 15 thru 25. In 1980 we will convene in Philadelphia Pennsylvania, and we want to be represented there as one of the finest Chapters of the Gospel Music Workshop of America.

We are looking forward to working with you, and thank you for your co-operation. "With God all Things are Possible".

If there are any questions of further information desired, feel free to call us at 648-1108.

Yours in Christ

Steve Reed
State Representative

"Where Everybody is Somebody"
