## EX-REBELS MEETS UCLA FIVE

This sounds like a "dream team": Reggie Theus (Chicago Bulls), Ricky Sobers (Indiana Pacers), Sam Smith (Milwaukee Bucks), Glen Gondrezick (New York Knicks), Robert Smith (Denver Nuggets), Jackie Robinson (Seattle SuperSonics), Eddie Owens (UNLV's scoring record holder now being sought after by the Houston Rockets and the Utah Jazz and currently working with R&R Advertising, Las Vegas and going to school part-time seeking his degree this Summer),

Robert Riley - local basketball favorite, Earl Evans (Detroit Pistons), Lonnie Wright (now employed at the Riviera Hotel, Las Vegas). A dream team it is as they gather here at the Las Vegas Convention Center on August 15 to pit their super basketball talents against the quintet greats of UCLA.

This "dream team" makes up the UNLV Alumni who will be laying the cards on the line for all the marbles seeking the Alumni supremacy in the West, but it won't be easy. Let's take a look at the opposition.

Fielding for the Bruins Alumni will be Jamal Wilkes (Los Angeles Lakers), Marques Johnson (Milwaukee Bucks), Andre McCarter (Ex-Bruin speedster), Henry Bibby (Philadelphia 76ers), Swen Nader (San Diego Clippers), Rickard Washington (Kansas City Kings), Gail Goodrich (Utah Jazz) and there's a slight possibility that Kareem Abdul Jabbar (Lakers) may appear

This will be the Second Annual Community Roundball Classic. Last year it all turned out to be an inter-squad game but enjoyed so much ballyhoo that it drew more than 3,000 fans. Following that game, Toby Houston and Lonnie Wright conceived the idea of having an even greater attraction by pitting the former Rebels against the Bruins. The idea clicked and now the battle is on. Tickets are on sale at the UNLV campus with the game starting at 8 p.m.

### NCAA INFRACTIONS HEAD SEES NO NEED TO PUNISH TARKANIAN

"It would be outrageous to inflict further punishment on Jerry Tarkanian if the coach wins his pending case in Las Vegas District Court," says Charles Allan Wright, head of the NCAA infractions committee.

It now appears that the NCAA, which placed the UNLV basketball program on probation two years ago, will take no further action against the university providing head coach Jerry Tarkanian is successful in a court case contesting his suspension by the university.

"Tark" was ordered dismissed from his coaching job as part of NCAA-imposed sanctions against the school basketball program two years ago. The Coach later sought and received a permanent injunction against his dismissal, an injunction which was overturned by the Nevada Supreme Court several months ago.
