## WONDERS OF THE WORLD!!

From Anne Hathaway's humble cottage to the magnificent ruins of Acropolis, from Big Ben to the bustle of Paris, a European vacation can be all you've wished for.

There's a new way to see Europe this year: Britain plus.

A unique series of packaged tours start in and return to London, but they can be joined on the second day in Amsterdam, or left on the morning of the last day in Paris. The choices in between are almost limitless.

You can visit the emerald green of Ireland, the snow-capped Alps of Switzerland or the sun-kissed shores of the Mediterranean. Then there are the nightclubs of Paris, the theaters of London, Italian opera and Austrian music, the mighty scenic River Rhine.

All these European spectacles are included in a variety of tours from Air India. Travelers can combine two or more tours, because they're planned to allow for easy dovetailing.

The choices may be nearly limitless but the prices are much more restrained. The London Discovery Holiday package, for instance, is from \$165 a week per person, based on double occupancy, plus airfare.

For free booklets about the Britain and Europe '79 tours, write to Air India, Dept. GB/E, 400 Park Ave., New York, N.Y. 10022.

The Incas once believed that a jealous sun threw ashes at the moon so she would have no rivals in the sky.
