STUDENT PLEDGE

STUDENTS FOR EXCELLENCE

I will pledge to PUSH-EXCEL to help carry out its goals of:

- A. First class OPPORTUNITY
- B. A decent and wholesome ATMOSPHERE
- C. Self and community MOTIVATION
- D. RESPONSIBILITY

I will take the opportunity to learn all that I can about life. I will help my school and community by exercising discipline and by becoming a **positive thinker**. I will sacrifice some of my wants of today, so that I may satisfy most of my needs of tomorrow. I will learn the secrets of success and practice them daily. I must be motivated to accept responsibility because nobody will save us from us, for us, but us.

I will study each night between the hours of 7-9 p.m., with radio, T.V., and telephone, off. As I have developed my body, so must I develop my mind. To life's challenges I say, if I can **conceive it**, and **believe it**, I can **achieve it**.

I AM SOMEBODY.
