

**LET US HEAR FROM LAS VEGAS STUDENTS ATTENDING COLLEGE AWAY FROM HOME**

The Voice would like to hear from Las Vegas students [or their families] who are attending colleges or universities away from home. More and more of our youth are seeking higher education and the Voice would like to report their location and their activities.

Elsewhere in this issue it has been reported that Susan Collins is enrolled at Howard University, majoring in Communications and Journalism. It has been learned that Denise Lightford, a niece of SNDC's Katherine JOseph and sister to Bold Explosion's Lyle Jones is doing graduate work at the Catholic University in Washington, D.C. Denise, a law student, is a graduate of Western High School and the University of California at Berkeley.

The Voice is sure its readers would like to know that Mike Davis, former UNLV football star, is now in his final year as a law student at Howard University. Mike is on Senator Paul Laxalt's staff in Washington and, during his summer vacations, he has worked as a law clerk at REECO and in the office of the U.S. Attorney here in Las Vegas, Mahlon Brown, Jr....Mike is by way of being a protege of Mahlon Brown's who is extremely enthusiastic about Mike's future. Mike resides at the home of Brown when he is in Las Vegas and Brown told a mmember of the Voice staff that Mike is very special to him.

The Voice would like any information we can have on other youth from Las Vegas now away at school. Pictures would be extremely appreciated.
