

CAREFREE HAIRSTYLES FOR 1980

Sharon...Simplicity at its finest

Quinn...Feminine & Fancy

Racheal...Soft & Free

Eva...Sassy Curls

If you're a lady that's on the move, you know the value of having a hair style that moves with you and your busy schedule.

Carefree is the key word in hair fashion for the summer months; and, with the discovery that natural looks

By Lei Stroughter

Vicky...Nice & Easy

are very attractive, it is easier to experiment and become adventurous in your hair styling.

When choosing a style for you, you want to keep in mind your facial structure, the shape of your eyes, the length of your neck, and your body

Pam... A Little Bit Of History

structure.

Now that the summer months are rapidly approaching and many of us will be participating in various activities, attending social functions, parties and sport events, there is no better time than the present to try something new, carefree, and fun.
