

SPORTS ROUNDUP

Johnson Tries Dewar

Earvin "Magic" Johnson of the world champion Los Angeles Lakers and Baseball Hall of Famer Hank Greenberg will be in Las Vegas for the 10th annual Dewar's sports celebrity tennis championship June 16-19 at the Riviera Hotel courts.

Other basketball greats to join "Magic" will include Julius "Dr. J." Erving, Philadelphia 76ers; Bob Lanier, Milwaukee Bucks; Paul Westphal, Phoenix Suns and another basketball great Earl "The Pearl" Monroe in this mixed partners, doubles competition.

Even more amazing than the basketball talent in the Dewar's is the magnificent tennis machine still purring at the age 69, Hank Greenberg.

"We could field a darn good basketball all-star team from among the players in the Dewar's," said tournament chairman Iz Becker.

Of the nine previous tournaments, Greenberg has won six, one at singles and five at doubles. He has won the doubles competition with partners ranging from former USC basketball coach Bob Boyd to Houston Rockets superstar Rick Barry.

Lopez Pursues Crown

The date has been set for the June 21 World Boxing Council's featherweight championship title fight against the champion Salvador Sanchez and Danny "Little Red" Lopez at Caesars Palace.

Sanchez won the title from Lopez on Feb. 2, in a 13th round TKO in Phoenix.

The card will be televised by ABC. Also on the card will be bantamweight Alberto Davila, (No. 1 in both WBC and the World Boxing Association), bantamweights Jaime Garza and Oscar Muniz, plus heavyweight Franco Thomas.

Clark County Public Auction

The Clark County School District will sell by public auction a student-built, three-bedroom home and four 8 ft. by 10 ft. storage sheds. The auction will commence at 9 a.m. on June 28 at the Southern Nevada Vocational Technical Center, 5710 Mountain Vista.

Built by this year's carpentry class, the structure includes 1 3/4 baths within its 1,294 square feet of living space.

Prospective bidders may view the structures at the Southern Nevada Vocational Technical Center campus June 23-27, from 8 a.m. to 3:30 p.m.

Bidding will begin at the minimum acceptable prices set by the Board of School Trustees and the auction will be conducted according to certain procedures, a copy of which is available at the office of the Director of Purchasing and Warehousing, 4212 Eucalyptus Ave., after June 13, during work hours — 8 a.m. to 4:30 p.m.

THAT HE AND Burns shook hands and are now closer because of the incident.

Mike John said the tour to the Emperor's Palace was enjoyable and informative. He was astounded by the unity in exercise of the Chinese people. He related that everyday around noon most of the people in the entire nation of China stop what they are going

and start a ballet-type exercise. Then when the exercise is over, they all go about their business.

This reporter feels that these young athletes will

reminisce about their trip to China and realize that travel is very educational.

But, then, as Dorothy said, "There's no place like home."

that Lou Tabat is there.

The best reflection of Lou's civic leadership is the fact that he and his deputies donate their services as security officers to every telethon, walkathon, and marathon, charitable type organization that comes to Clark County. When Tabat first took office he made it known to organizations such as Easter Seals, Heart Fund, MDA, etc., that he would donate the security officers needed for their functions here. They accepted gratefully.

Today Lou and his men provide the services to all such functions. Tabat and his cadre of 20 smartly

uniformed NLV Constables have donated 6400 manhours. "We are the only such volunteer group around. Every year the requests increase," says Lou. As to the men who donate their time, Tabat says, "These guys are the greatest! They give themselves."

An avid boxing fan, along with being an official world boxing judge, Lou is a member of the Nevada State Boxing Commission, and is Chairman of the U.S. Jr. Olympics for Nevada.

Tabat is for law and order and says, "The safety of our local citizens and our temporary citizens (our tourists) is of great concern to me." Lou Tabat looks to be a tough contender in District B.

File Writ For Foxx

The attorneys for the estranged wife of Redd Foxx filed for a writ of prohibition with the Nevada Supreme Court to halt the local trial on grounds it should be moved to California.

District Court Judge Joe Pavlikowski, who rejected the move attempt last Thursday, scheduled a status check for Friday, to see if the state's high court has acted by them.

If that court turns down the move, Pavlikowski indicated the trial would get underway here at an early date.

Foxx, 57, filed for the divorce Oct. 22, charging incompatibility, against Joi Yunchi Foxx, 36, whom he married Dec. 31, 1976, in a Las Vegas ceremony.
