Father's Day was good to kick back and relax for many a DAD.

Hats off to Charlie Hor-se, who treated -N-greeted me to a tallll, cool o.j. as I made my way by LOVE'S with a bag full -o-birthday cake for folks who could not be at the swinging partieee for ANGIE, MARY and SHARRON.

NEW TOWN TAVERN has the Family Affair Show & Soul Connection doing the do...

I ran out of gas and was

not able to find a gas station open on this side-o-town, so I did not catch the action at CAFE ROUGE but Le'Von, Ronnie, Mary and a host of others did...Oh Well!

Let it be known by all: There is GENETIC PRIDE and HONOR in the words of ETHEL PEARSON: "MUST WE HAVE TO BEG FOR BETTER SERVICES TO THIS SIDE-o-TOWN?...WHY???"

THANGS I SHOULD

HAVE WROTE 'BOUT LAST WEEK: A beautiful thang took place early last Sunday nite/Monday morn: The nite-to-lite men worked and put marked lines up my name sake street plus H street and they are looking good.

Thanks, Willie-Gooo, for the early a.m. coffee at Soul Sisters Cafe.

People are taking time to keep our side-o-the city clean(er). U-C, I spied a soul brother over on H St.

throw his empty T-Bird bottle into a trash can, wipe his lips, adjust his clothing and stumble on down towards Bonanza for the other half of his morning meal...Hope he made it on time...

Hey! Where were you when the phrase "THE SOUTH WILL RISE AGAIN" was first spoken? WHAT! (me-2)...

Thangs To See In The Future: Policemen giving tickets to people parked (double) along busy Jackson Street...A long overdue signal lite at D & Bonanza...The real reasons for the

WASHINGTON (under d'railroad tracks) Blvd. but which is and could be a blessing in the hands and pockets for the soul folks on this side o town,

who can whizzzzzzz on down the road to Main Street with ease...In-flation fighting Auto Tires shaped like bricks instead of donuts on the cheaper priced cars... Aaant-acid / anti-gas tablets for up-set mountains gas symptoms...

Garbage cans that attack cats and dogs trying to get "the daily bread" without a coupon from a SUPER FUNBOOK from MR. Sy's...Beer cans and wine bottles that can be eaten-up after the LAST DROP/IS DRUNK...

Soul Brothers not dying from lead poison and angel dust and sherman and, and, and...false hopes and promises served them (by so-called leaders of the people/check them out like you do an apple for a worm)...Real honest to goodness "BLACK COWBOYS" wearing TEN-GALLON HATS CLEANING UP THIS SIDE OF TOWN FROM THE MINDS OF FOLKS/OUT!...

TEACHING THE CHILDREN MORE THAN PING-PONG AND POOL AND THE LATEST DANCE STEP AND WHAT FILLING OUT A JOB APPLICATION IS ALL ABOUT AND BEING NEATLY DRESSED WHEN THEY BE DOWN-GOING TO THE UNION HALL LOOKING FOR THEM "WORKING AT THE CAR-WASH BLUES JOBS."

THE SOULFUL Eddie J. Taylor and his faithful dog INKY bucking the head-

winds and going on to BAKERSFIELD, CALIFORNIA FOR THE MOTOR-CYCLE RUN and not turning back at the STATE LINE -o- NEVADA (sorry you missed the Run, Eddie & Inky)...THE REAL BRITE LITES NEEDED AT NITE AS WE DRIVE THE STREETS ON THE W-S-O-T (Westside of town).

YOU BIBLE READING FOLKS should be reminded of how GOSHEN must have been when the children of God were slaving down in EGYPT years ago (a BIG CHANGE is NEEDED).

HATS OFF TO: The young ladies who gave their MOM a lovely "HAPPY FATHER'S DAY MOTHER DINNER. YOU HAVE DONE A GOOD JOB RAISING US AND SHOWING US BOTH SIDES OF THE MALE & FEMALE THANGS OF LIFE." (Hope other young people expressed that to their MOMS who have been left to carry on when the daddy is gone...for whatever reasons).

THE FATHERS OF THE YEAR in my books are ALBERT L. DUNN, A.J. GREEN and JOHNNY McGEE and, and JAMES 'Blue' WINBUSH. They have been working to help in more ways than one theirs and others in the community (the way I C it...O.K.).
