OUR 'MAIN MAN' TALKS FROM HIS HEART

...read what's in our brother's soul

A sweet hello to all of the READERS OF THIS SWINGING NEWSPAPER! We hope you give the advertisers a visit and help to keep up the good news (right-on!)

This week I have got to let this lady tell it lack it 'tis'... "When was the last time you rode the L.V.T. (bus)? Maybe U never have or have need to but do ride and C for yourself as some people, have to do with the bus being the only means of going to work or shopping. I ride, double-times, a day, 5-days a week. Sometimes I use L.V.T. for Biz-n-Shop trips. Some times the drivers are RuDe & INSENSATE: harsh, brutal, soulless, soulless, unmoved and, and especially to the elderly riders who live here and are not tourists mind you. Many of the riders are LOUD! USE FOUL WORDS! ILL MANNERS and, and, and the TIME Schedules of the buses are OFF! The system has the commuters acting like cattle on an interstate truck ride (standing).

"How 'bout a few mo buses? I for one would B thankful for a change in the set-up of bus rides, besides the Uping of the COST OF RIDES on L.V.T. WE THE COMMUTER S are making our start of each day REAL LOUSY: mean, foul, overrun VULGAR! Let each of us try to make this service, which so many of us need, improve by checking OUR ACTIONS in PUBLIC. Then (may-B hopefully, number-9 Vega-Heights will repair seats and number 6 will get US to work on time...and, and, and Grandmon's feelings won't be hurt by some of the drivers...To my Fellow Commuters, LOVE, Ada." P.S.: RUDE PEOPLE come in all colors, sizes, shapes, and and, and denominations. P.B.S.: Let us hope that the drivers won't have to have SHOTGUN RIDERS to help them move the folks 'cross town! Come, let us REASON TOGETHER, FOLKS N' D'TOWN-SHIP."... The other morn a nicely dressed young man han-

ded me this message... "The 'SOUL PATROL' is searching for 'lost men's souls. For our strength must be in the Lord and power of His MIGHT. Only in his power can we overcome our personal temptations; only in His might can WE defeat the supernatch forces of EVIL spelled backwards is?... (Right-On for the spellers of words). "We at large are at war and we must have on the attire of Godly wear! In this dark warzone our HOPE is to lift fallen mankind to a state of consciousness to EXCEL. Must WE remain prisoners of THIS SYSTEM under the IN-

FLUENCE OF SHERMAN STICKS, ANGEL DUST, BOE, OVERDOSES, WHICH KILL MEN, WOMEN AND CHILDREN? FOR LACK OF DIRECTION IS POURING IN THE STREETS LIKE THE WINE AND OTHER TOXICANTS WHICH DO ENSLAVE THE BODY N SOUL.

We must clothe our minds and bodies with the clean clothing of GOD. These garments on me symbolize the BREASTPLATE OF RIGHTEOUSNESS (RED) being SHIELDED by FAITH and GIRDED with THE TRUTH, wearing the (helmet) HAT of SALVATION. Having done all this, we shall be able to stand our ground. To complete every task in life and still to stand is a job that many will never work at doing... BUT WHY?... By Minister Eddie James Ball."

Eddie was standing in ALLENS RESTAURANT in a classic outfit which I dubbedddd A SOUL PATROL SUIT. It came with 6 mental buttons, black pants with silk black stripes, 36 small

stripes on the coat sleeve, and, and, and fancy hat that denoted the RANK of Major General... Eddie's mode-O-dress may just sent the fashion designers back to the drawing board in a fast hurry towards men's fashions.

You will see some out-O-sight FASHIONS ON JULY 6th at LOVE'S COCKTAIL LOUNGE at 8:00 p.m. when TIF-FANYS-12 S. C&C. presents "FEEL-N-FREE 80's" Sassy Fashion REVue & Show...

Thangs I gotta tell-U about: JOHNNY ADAMS is having a "PRETTY LEGS CONTEST" (ladies) on June 29th at Love's and giving \$\$\$\$\$\$ to the lady with the best judged baseball bats, cause like Joe Tex, said, WHO wants the woman with the skinny legs? And I say: "I,I,I,I, want the woman with the skinny legs! Some body got to! HUGH!

Alarms Cut Insurance

City Fire Chief Sam Cooper told small business owners recently that they could find their fire insurance bills slashed from 4 percent to 10 percent now that the Las Vegas City Commission has approved a \$50,000 secondary alarm system.

Installation of the system, which would allow fire units to be dispatched by radio if the telephone system failed,
