# Claim 'Sambo' Is Racist

PROVIDENCE, R.I. — Several organizations in Providence, R.I., including the National Association for the Advancement of Colored People and the Urban League have filed complaints against **Sambo's Restaurant** stating that the name usage of "Sambo" is racist.

**Sambo's Restaurant** says it would cost more than \$40 million to change the name. **Sambo's** Vice President **Francis J. Bennett** said it would cost \$20 million to change restaurant signs and menus and another \$20 million to advertise a new name.

In hearings before the Rhode Island Human Rights Commission, the NAACP and the Urban League had said the name was synonymous with "nigger" and was inflammatory to blacks.

**Bennett** said the chain was started as a pancake restaurant about 20 years ago in **Santa Barbara, Calif.**, by **Sam Batterstone** and **F. Newell Bohnett**, who combined their names into "Sambo."

**Sambo's** has 1,118 restaurants in 47 states.
