

There's Active & Leisure Sportswear But The Name Of The Game Is Comfort!

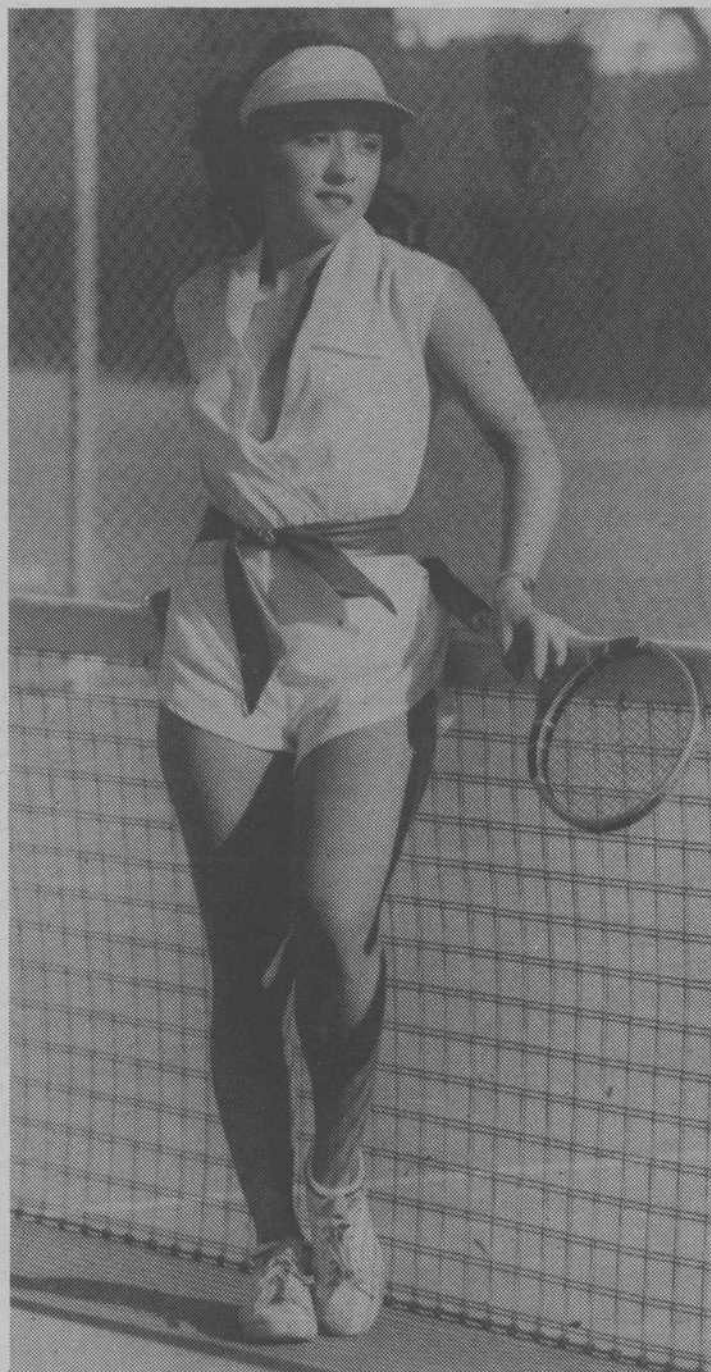

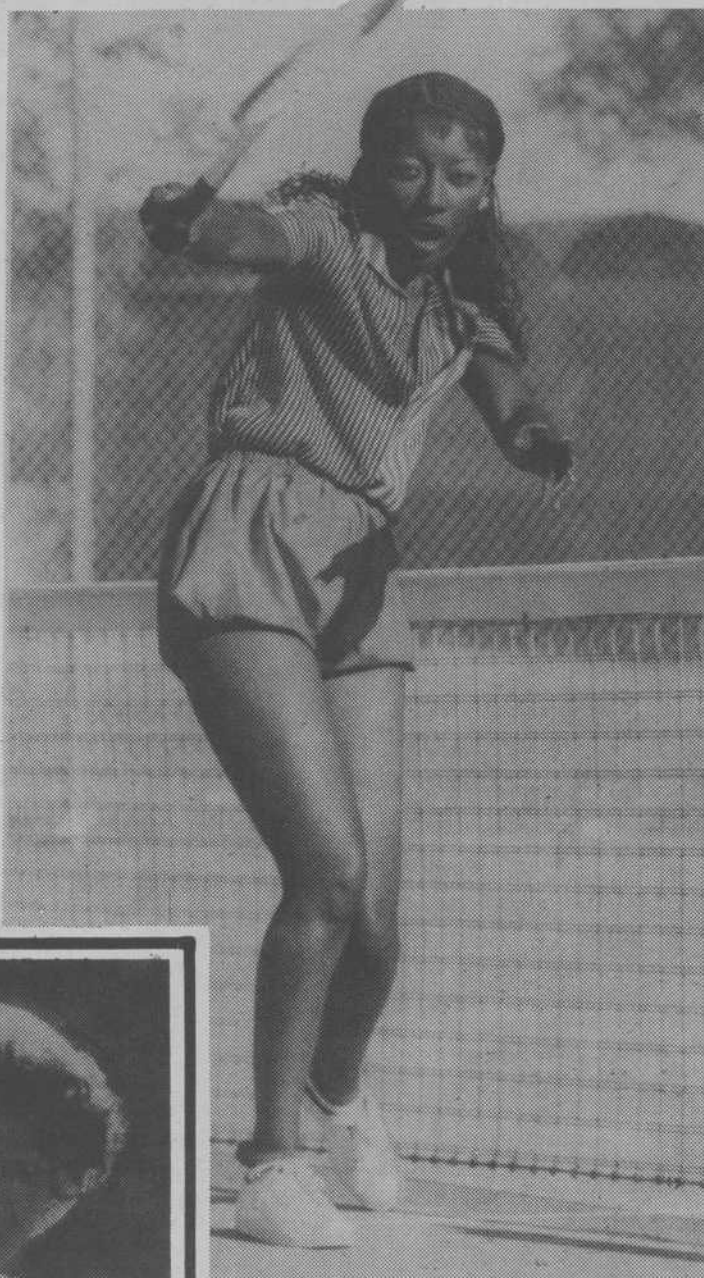

Like anything, sportswear has its two sides. Active and leisure.

Jackie Fulton, a talented and upcoming designer on the horizon, has created a line in active and leisure wear, not only dynamic, but practical.

Each fashion is made of 100 percent cotton for easy wash-n-wear, and is great for maneuverability and comfort.

The time is the '80s, the pace is fast, and the name of the game is COMFORT.
