Robert F. Dickens and his lovely sister Delores Fluellen of THE WAREHOUSE DINING ROOM, 950 W. Bonanza Rd., are serving a diner's delite to each and every one who enters the doors of their plush yet realistic dining room and bar setting. The catfish plate placed before my feasting soul was gourmated to the bone by me in a hurry 'cause it was truly tasty. And like other fine places to go and shop on the W.S.O.T., the prices are well in the reach of all who care to enjoy a meal away from home. REMEMBER THE WAREHOUSE!

The Colony Club has gone DISCO/DISCO so make it a stop on your nite out on the town any night of the week.

FISH and GO sure is doing their thang with the fine foods for the folks.

Chicago Bar BQ is doing a jazzy ad on the T.V. Why not go with THIS WIDELY READ NEWSPAPER, ROSEVELT??? We'd love to AD U...

Hey, BARB MCNAIR, how is the HAIR CARE BIZ?

See Red Williams has got his eatery open on F & Jackson next to the El Rio Club. Lets give him a play and a few of them full-o-dollars we be getting from every which direction these lean days.

Understand that Bill Cosby had a Birthday

Tis nice to see the remodeling work going on in a few sections of this side-o-town (Oh, yes, it's nearing election time.) Oh, WELL!

Mrs. Hughes was enjoying her meal at Love's the other evening and looking good in her snazzy outfit.

Stop by the KEN CARSON CORNER at Jackson and E. St. and get the shine of your life.

Where is Biddle Auto Sales? And CHARLIE'S CHILD CARE CENTER?

The Watermelon men sure have a bunch of them seeds and red meated thin thangs for sale on the corner of Lake Mead & Highland.

A good thing to do for yourself and the children is to take a trip out to the RED ROCK CANYON area and enjoy a bit of the feel-N-free life that so many are too busy to relax - in due to the hustle-N-bustle living that is so easy to get lost into.

VOTE FOR (?) if you want to see thangs still in a poor side of town condition... "BUT WILL IT REALLY MATTER WHO IS PULLING THE ROPES AROUND THE FOLKS NECKS WHEN IT COME TO HANGING TIME?," some lips are whispering as I make it around MY BEAT. SCREAM - SCREAM - SCREAM...if that's what you want to do...SCREAM - SCREAM - SCREAM. You have been silent for so long. SCREAM LOUD! But WHY? Den-Den at Love's the other evening.

All of you could have/should have said many things long before NOW, SCREAM! rudi-j. monamodi

A thought from ROSE BURRELL... "What so ever thy hand findeth to do, do it with thymight!" OF YOUR MIGHT... YOU NOW PLEASE BE JUST MIGHT END UP REASONABLE IN YOUR DEAD DOING WHAT DOINGS, FOLKS. THAT IS YOUR HANDS ONE OF THE NEATLY FIND...monamodi.

Miss Galaxy Int'l Pageant

Phoenix, Ariz. "When I was six months old my body was just as firm and d pretty as it is right now. Look Watch it sucker. Child; God gave me a body that could win any pageant, the Miss Black Arizona, Miss Galaxy Intl. or any other." So quipped Ms. Lawanda Page, The Black Queen Of Comedy, Star of such television shows as Sanford and Son, Sanford Arms, Bad Cats, Love Boat, Merv Griffin Show, Mike Douglas Show, Dean Martin Show,

Page will also serve as judge at the 5th annual Miss Galaxy International Pageant August 16th at the Landmark Hotel/Casino in Las Vegas, Nev. where Miss Cannon will compete against 25 other young women from across the United States.

"I'm honored to serve on the board of directors of this organization because I am totally impressed by the work that it's doing for our young people. It's totally different from some of the other pageants that I'm familiar with. These kids really are respected and trained. I'm going to take an active part and do everything I can do to help."

Why don't you become a State promoter or a contestant at large? Write Lawanda Page P.O. Box 23341, Phoenix, Arizona 85063. and she will send you one of her special recipes.

Black Chamber Of Commerce

"The Greater Las Vegas Chamber Of Commerce doesn't serve the needs of the black community," said Dr. James McMillan, president of the local chapter, NAACP.

To counter the problem, Dr. McMillan announced that a charter was received last week to form a chamber.

He and other charter members of the agency, including Evan Williams, general manager of Dalton Properties Construction Co., will be sending out invitations to businessmen in the immediate future asking

DR. MCMILLAN

them to join. McMillan said it would not be a duplication because the Greater Chamber of Commerce "doesn't serve the needs of the black community. We always come up short with those organizations."
