

# Goodbye Summer! Hello Autumn! (We're Ready!)

There's still a little time left before saying goodbye to Summer Time Fun, and hello to the nice, cool days of Autumn.

Whether you're planning a day at the pool, an active game of tennis; maybe a late evening picnic, or a day at the rodeo; traveling abroad or just getting away from it all at a lakestyle party; keep in mind, fancy labels and high prices don't make good fashions. Style, quality and your own individual look do!

Have a great summer and don't forget to look for us in new Fall Fashions.

Many special thanks to the ladies of International Models and Photographer John Riley.
