

Start your Fall wardrobe by adding basic, functional pieces that coordinate with items you currently have.

Fashion Gal, located in the Sunrise Shopping Center, has just received a new arrival of exciting Fall fashions for the 80's.

Wool blazers in a

variety of plaids and solid colors; slacks by Counterparts in baggies; poplin or the preppy look and sweaters (for those of you who didn't know, this is the year of the sweater).

For new and exciting clothes for the Fall at reasonable prices, stop by Fashion Gal.
