Elks thrilled by sassy fashion models

by Rudi Jackson

A WONDERFUL TIME WAS HAD BY ALL WHO ATTENDED THE "COMING TOGETHER-FASHION REVUE & DANCE" by the FORDYCE CLUB. But do not take my word for it, ask any of the ELKS LODGE MEMBERS who thrilled to the flair and wear worn by the "SASSY FASHION MODELS" and the

superb acting & dance scenes. Flashbulbs were flashing by BOB MORGAN AND SANDIE (photo-men) till you would think you were in HOLLYWOOD!

I SPIED: PAT & KAT, JUST'A PURRRR-rrrrr-N into the LABOR DAY MORN on the Stripped-Strip of the W.S.O.T. Lookinggood! ...I said; "HAPPY BIRTHDAY,

DOROTHY JONES," AND SHE said: "THANK YOU, RUDI." ...THEN SHE KISSED ME!

Thanks, Jerry Lewis! for remembering The Kids! But, what happened to the donations from the various CHURCHES & CLUBS in West Las Vegas? The crippler MUSCULAR DYSTROPHY has no friends. We should learn to donate to

worthy causes. We have children that need OUR HELP REGARDLESS OF SKIN-TONES ... D.M. LOVE and FAMILY.

Heard thru the grapevine that Dee Dee Purvis arrived home a few days ago from her trip to St. Louis, Mo. at the Jude National Jr. Championship. She placed 2nd in the nation's OUR MISS

WORLD BEAUTY-PAG and received a number of AWARDS in the Pro-Am Modeling Division... So Wondergreat, MISS DEE DEE.

Cruz-in' thru Bar B.Q. ville this past Saturday on my way home, the flesh pots were smelling like Q. to the bone in Hick's & Uncle Ben's. A BIG smile fell cross my lips as I thought of enjoying some soulful doings & fixings.

A BIG HELLO TO ALL OF THE LADY BARTENDERLYS THAT I KNOW AND ADMIRE.

SONG HEARD SUNG BY A HOMESICK BROTHER: "SOON AS THE WEATHER BREAKS."

I entered the Garden of Eden at the home of David Burney of the Barbering Burney Brothers, which was full of fresh home grown fruits and vegetables. A group of us were fed firm huge slices of garden fresh TOMATOES along with a seasoned just right dish of spaghetti & rye bread. Brother David is a swell person to know and wants everyone to know that the community has his support. And he enjoyed hosting an early A.M. Party after making the rounds Sunday nite/Monday Morn bringing in Labor Day, Grooving to Tyrone Davis "I Can't What!".

What is: Gotterdammerung ...? Is that the way the W.S.O.T. will become if Self-control is not learned by all who dwell in the Valley of the Walking Death/Drugs or Raids on the folks who but be just living for the week-ends forever? OF WAR, a city falls from within, then the victory one comes and claims the SPOILS.

WHEN WILL THE WEST LAS VEGAS BLACK COMMUNITY BAND AS A UNIT AND DECIDE TO BUILD AND OWN A FIRST CLASS AUDITORIUM WITH PROPER SUPERVISION IN ITS PROGRAMMING, SO THAT MANY OF THE ADULTS AND YOUTH WHO DESIRE TO ATTEND EVENTS CAN DO SO WITHOUT THE OVERTONES OF A THIRD RATE ROMANCE
