Human Relations Department News

Quiet...We are on the air!

Saturday, September 27th at 9:30 a.m., will be the beginning of the weekly IN Action Program. The program will be aired over KCEP Radio Station, located at 940 West Owens Avenue. This will be the first program of this type over KCEP Radio; Hopefully, the time selected will be convenient for the student listeners.

The Human Relations Department will play an important role in the preparation of the program, working with students collecting data that will be of importance to the community. In addition, the

program is designed to give students an opportunity to familiarize themselves with radio broadcasting, and perhaps further their studies in the field of radio or television.

Areas to be covered in the program will be: Students interviewing Administrators and Staff on important issues; student interviewing students obtaining their point of view on situations occurring on their particular campus. In addition, students will be reporting on various school activities, special awards presentations, essays and up-coming

events. In general, the program will keep the community informed of time and dates of events of importance occurring in the Clark County

School District.

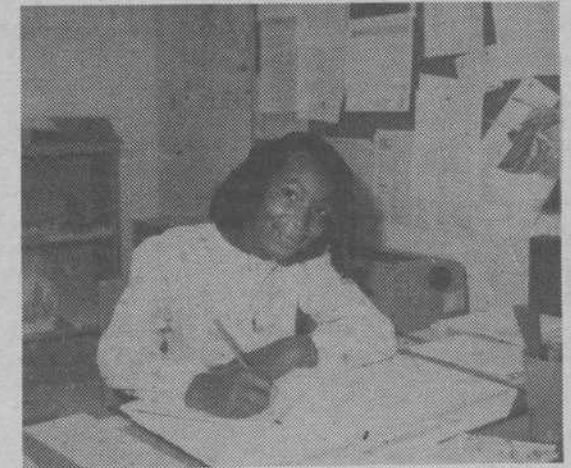

Remember to tune in, Saturday, September 27, at 9:30 a.m. KCEP Radio, and join the Action Group.

Al Brown, director of human relations for the Clark County School District

THE TEACHER'S SOCIAL will take place Friday, Sept. 26 at Love's Cocktail Lounge, 500 W. Jackson. Trustee Virginia Brooks Brewster will serve as mistress of ceremonies. County Commissioner Manny Cortez (left) and Trustee Robert Forbus (right) will also be on hand.

Melonie James, Chaparral High 9th grader, will be one of the students working with the KCEP Radio Program.

WOODBURY JR. HIGH SCHOOL students in action as State Sen. Joe Neal and Brenda Mason observe the participations.

LEFT TO RIGHT — June Crowell, Jamie Perry and Angelica Narag are all smiles as they prepare themselves for the radio broadcast (Jo Mackey Sixth Grade Center).
