THE FUTURE IS NOW!

The Opportunities Industrialization Centers (OIC) of Las Vegas held its first Business and Industry Awards Ceremony, Oct. 17, at the Imperial Palace Hotel where more than 400 guests witnessed the presentation of awards to local businesses for excellence in their contributions to the OIC programs. An overview of OIC's platform includes community-base self-help skills training and community revitalization program

with a National record of demonstrated effectiveness.

The NUCLEUS ASSOCIATES, a Local Development Company formed to revitalize the Golden West Shopping Center, was awarded a plaque by OIC, commemorating their efforts in the \$3 million acquisition, renovation program. John Edmond, Chairman, upon accepting the award for The Nucleus Organization said: "The Shopping Center will be

renamed The Nucleus Plaza." He then unveiled an architectural concept of the exterior sign of the proposed shopping center.

The main goals of The Nucleus Associates are to actively participate in economic and community development projects that upgrade and/or diversify employment, and to assure a neighborhood base for low and moderate income residents of the West and North Las Vegas neighborhood.
