WHY DON'T YOU GET TO KNOW SOMEONE NEW?-----

Caught in the act taking orders for food and bust-N-suds was YOURS TRULY by the one and only Motorcycle EDDIE & INKY (de'doggie) at Soul Sisters Cafe due to Sweet Dorothy being ILL! (See Eddie, told U I'd Print-it!) ...This A.M. the hazy skies set the

tempo for me to push thru the windy daylight savings time change to the laundry-mat. After I PUT OUT THE DOG & BRUNG IN THE CATS. The place was full of mendoing they do with dirty dungarees... DAD-SDAY??? Well it was good to see US coming clean with the socks and

jeans just to say that much about the MACHO MEN who have to do the wash/wash...But a wonderful thang happen while at the Wash-o-Mat: I was able to see and meet two lovely young persons who had come to do their family wash. Mr. Joe Paul Holdman you should be very

proud of William & Juanita Harrison (your children) They spoke of their wonderful mother (Ann Bell Harrison-Holdman who passed in to the voids of death some three years ago) and she too would rejoice at the warmth her children displayed for one another as they

labored to do a task placed upon them. They spoke of the family of 14 and how life had been for them over the past years learning to grow and know the arts of living and doing things that will benefit them and others in a wholesome way. They are a year apart in age William is a 9th grader. Juanita is in the 8th at K.O. Knudson Jr. High School. The family has been in Las Vegas for some 3 years from the Los Angeles & Perris, California area. The expression of: "Las Vegas is better than L.A. to us because of the nearness of the laundry-mat (we all smiled and agreed that it was) However we do need more wholesome recreation for young people like in other places for the young people." At this point I invited them to come to MARBLE MANOR RECREATION CENTER at 811-N. "I" St. on each Saturday from 1:00 p.m. till 3:00 p.m. And enjoy the classes being started by the TIFFANY'S-12 Social & CHARITY CLUB for young people ages 6 to 17 years of age. We hope many of our youth will take a hold of what we have to offer them in the way of gaining ways and means of walking thru this world without being broke and dejected souls and cast about as tiny boats in a raging sea of darkness. WE INVITE YOU TO ATTEND OUR TYRO MODELING CLASS... O.K. William has a desire to be a Animal Vet to care for the lower animals who become sick and needy for the tender care of man. Plus he feels that it will be a good way to make money to care for his needs. (The young man is wise) Juanita. Her pretty brown face so full of smiles said she wishes to become a nurse and care for persons who fall victim to the ills of mankind (she added the soap to the clothing and pushed the sliding slot that ate up 40 cents in a hurry and the water started to flow) They both took turns speaking of how their dad had owned 8 acres of land in California and 2 were the front lawn and 5 was the back and the house was large and roomy for the family (sounds like the Beverly Hilly/Billy Man-

Rudi

sion to me) THERE WAS LUCIDITY AS THEY SPOKE OF THE 4 horses they had owned in Perris. Then, there was a gas station that dad had and they had made the move to Lil'ole Las Vegas to strike out new frontiers of living and growing up. I enjoyed meeting these young people and in more ways than one they help to clear the hazy-morn away-by-way of taking time to speak and get to know some one new... TAG LINE: Why Don't You Get To Know Some One New?... As I put my duds in to tha'car I noticed a middle age lady pulling her laundry basket from the trunk of her auto. I introduced myself. Offered her a Las Vegas Sentinel, and, her name is HAZEL MORGAN: "Oh it's a lovely morning to be coming to the wash-o-mat" she voiced, "Yes it's good to see a few new improvements in the black community which we live in." NOW THAT WAS ANOTHER NICE THING THAT TOOK PLACE AS I TOO WAS GROOVIN' ON A HAZY SUNDAY MORN! HELLO MATEAL MASON... I did my do and got'cha in this weeks J.S.B. and that makes me happy... Remember what BET-TYSWANN said in a HIT SONG- "GOOD THINGS COME TO THOSE WHO WAIT! ...yeah but don't wait to loooooonnnGggg! WELCOME TO LAS VEGAS NATIONAL ASSOC. OF NEGRO WOMEN... From: TIF-FANY'S-12/ SASSY FASHION MODELS & REVUE, PLUS PERSONS WHO WILL JOIN YOU IN PROGRESSIVE STEPS TO IMPROVING CON-DITION FOR THE BLACK PEOPLE WHO ARE BEING TOSSED AND TURNED BECAUSE OF THAT LACK OF LEAR-NING AND PROPER LEADERSHIP IN THIS BIG FAST GLITTER-n-LITTER SET in which countless sat wasting away into darkness. PEACE to RUTH McNAIR and her lovely family... Monamodi
