The excitement of the holiday season is in the air as we see people running here and there to get last minute shopping completed.

This is the time of year with many special meanings for many of us. Some returning to old hometowns to be reunited with old friends and family members; vacations for others; a time of giving and well wishes and, of course, the holiday parties.

If you're one of those shoppers looking for a Christmas gift for someone or for yourself — something timeless, lasting, yet classic-look for a design by Jackie and Walter Fulton at the Fashion Studio, 612 N. 10th Street.

Jackie and Walter's newest designs, Foxy Lady, Hollywood and Classic Creation, specialize in pieces that take you from an early morning out to an evening on the town.

The fashions shown here are only a few of their designs made especially for you.

Have a good holiday and best wishes to all of you for the new coming year.
