showed steady overall improvement and maturity in his 61 games at UNLV. As a freshman two years ago, he averaged 10.1 ppg and 6.3 rpg. He scored in double figures in 16 games, getting a season high of 21 against the University of San Francisco. In the regionally televised game against Marquette that year, he scored 17 points and pulled down a season-high 14 rebounds.

Last season, playing some at point guard, but mostly at forward, he averaged 14.2 ppg and 7.3 rpg. Both totals were second on the team as he scored in double figures in 23 games with his career high of 30 points coming at home against Loyola Marymount University. In that game, he was 13 of 16 from the field and had 12 rebounds.

Burns tied his season high 14 rebounds three times last season against Texas A&M, Nevada-Reno and San Diego State. Birthdate: September 4, 1959. Academic Major: Physical Education.

Lee Walker, Chairman of the Economic Opportunity Board of Clark County, has announced that Wendell P. Williams and Joe Chacon are the newly elected members of the Board.

Williams and Chacon, representing the poor in the geographical areas of West Las Vegas and Sunrise/E. Bonanza, were elected Tuesday, December 9.

Williams is a 30 year old native of Louisiana. He has a Bachelor of Science Degree and a Master of Education from Southern University, Baton Rouge, Louisiana. He is currently employed by the City of Las Vegas as a Recreation Leader. He has been involved with groups like the Youth Athletics of West Las Vegas, Kappa Phi Kappa, NAACP, American Association of Health, Physical Education and Recreation of the Nevada Chapter of Southern University Alumni Federation and honorary Scout Master, Boy Scouts of America.

"My desire to serve," says Williams, "extends from the fact that I

believe the positiveness of our community today and tomorrow, depends on the total development of our children, including moral, spiritual, physical, cultural, and academic attitudes," and adds, "I will exert all possible energies needed to produce fruitful citizens."

Chacon is a 20 year old Mexican-American born in Paris. Resident of Las Vegas for the last 8 years, he is currently attending UNLV majoring in Criminal Justice. Employed at Nellis AFB as a Detective, he believes in helping people, and therefore wants to get involved. "I am very familiar with the law and the political economic system as exists in our society today. I am also very much aware of the inequities of job opportunities. It is my intention to help the disadvantaged get a fair chance."

Clyde Lowe, incumbent member of the Board representing the Moapa Valley Area, did not have any opposition, which automatically put him back as their

representative on the Board.

The newly elected members will be seated on the Board at the next Board meeting on January 28, 1980.
