Train up a child in the way he should go and when he is old he will not depart or turn from it.

These students are all seniors at Vo Tech, the only vocational Training Center in the Clark County School District. They are excited about graduation in June. After 1800 hours of study in various subjects required to complete the course of Cosmetology. After all requirements are met, a student is ready to apply for license from the State Board of Cosmetology.

The first year students are taught the basics, which include Theory or book work. After finishing this segment, subjects are taught as Anatomy, pedicure, decolorizing hair, hair cutting, hair styling, cold waving, skip waving, finger waving and all types of hot iron work. Marcelling crog curling and permanent.

Mrs. Ida Coleman, Cosmetology Instructor at Vo Tech, for the past 16 years is happy to say most students are well prepared by the required hours are completed and face no difficulty when applying for license before the State Board of Examiners.

Francine Sutton, Shampoo and massaging properly is indeed an important factor.

Ricky Rachael, Hair Dressing is a fine art in todays society.

Shermain Addison and Regina Smith, African braids.

Cheryl and Karen, gets it together as Patron smiles.
