Fire Aide Callie Conway Offers Fire Safety Tips

Cooking accidents are a major cause of home fires. Care should be taken to prevent grease build-up in the stove or range hood. When preparing food, do not leave the cooking area unattended. Have a lid for every pan or skillet that is in use. Be sure to immediately shut off the heat if there is a fire, and do not remove the lid until the pan or the skillet has cooled. While cooking, do not wear loose clothing, and be very careful not to reach across the burner at any time.

CETA MAIN CASUALTY OF REAGAN BUDGET AX

WASHINGTON — Comprehensive Employment Training Act, the Reagan proposals, which call for an immediate freeze on new hirings under the program and would force the firing of all CETA employees by Sept. 30.

Some major urban areas claim they face a double hardship because they are using CETA money to keep fire, police and other city departments up to par.

Although President Reagan predicts his new economic program would bring down the unemployment rate in the long run, it would almost surely add 500,000 or more Americans on the jobless rolls in the immediate future.

The most readily apparent cause would be the elimination of public service jobs under the
