Senior Fire Aide John Davis FIRE SAFETY TIPS

John Davis

In our work as Fire Aides, we encourage people to practice Operation E.D.I.T.H. E.D.I.T.H. stands for Exit Drill In The Home. Every home should have an exit plan and it should be practiced often. Stay low to the floor in smoke. Go to a window if door is not accessible. Stay at a designated meeting place once out of the house.

"THANK YOU, FRIENDS"

Someone once said that "the light of friendship is like the light of phosphorus, seen plainest when all around is dark." Because of your caring so much and doing so much, mine is, again, the bright and shining world it used to be.

The Memorial Day Tribute to me that you and others worked so hard to make a success, forever will be one of the most treasured memories of my life, and I am eternally grateful to you.

Especially heartwarming was the joyous spirit of unity displayed in our community during that 34 hour gala and the days, and even weeks, leading to it. You can be sure that whenever a project is underway to benefit our comunity, or an effort is being made to help someone in our community, want to be one of the first to be called on to help.

Sincerely,

Ruben Bullock
