**SENIOR FIRE AIDE JOHNSON  
FIRE SAFETY TIPS**

**JOHNSON**

Lack of ordinary care in the use of flammable liquids such as gasoline, kerosene, and alcohol is

a major cause of home fire and deaths. Proper handling and storage of flammable liquids cannot be overemphasized. Knowing the hazards and understanding the precautions that should be followed will minimize the dangers. Flammable liquids should be stored in approved metal containers with automatic closing lids with flame arrester and pressure release valves.

**4th Annual Community Roundball Classic Set - UNLV vs. Kentucky July 8**

On July 8, the UNLV Alumni Basketball Association will be playing their 4th Annual Community Roundball Classic against the tough alumni quintet from Kentucky. It will be played at the Las Vegas Convention Center.

The first game, played in 1978, was pitted against the UNLV in-
