LEATHER AND SUEDE -
TOGETHER!

The look! A striking example of leather and suede is this red suede wrap jacket featuring black suede inserts and cinched with a suede and leather sash, all topping black leather pleated pants.

Go dashing in these easy-flowing suede gauch pants topped with a fitted single-buttoned suede jacket featuring wide leather lapels and shoulder inserts.

Too luxurious! An eggplant colored suede toga worn over olive colored soft leather pants.

For something with personality and the Italian spirit, wear this excitingly detailed glove leather jacket with a pair of suede knickers.
