"A CHANGE IN LEADERSHIP"

**DON ASHWORTH
GIVES 100 PERCENT
FOR NEVADA**

In the State Senate, we need to keep a man that gives Nevada his all. We need to re-elect State Senator Don Ashworth.

During his first term in office, Senator Ashworth was:

- A leading supporter of the successful efforts to remove the oppressive sales tax on food and drugs.
- A fighter for seniors rights — redrafted the Guardianship laws of our state.
- A supporter of tougher laws against drunk drivers.
- Serving as a member of the powerful Senate Commerce and Labor Committee.
- A member of the Federal Lands Select Committee.
- A member of the important Judiciary Committee.

Don Ashworth, a native Nevadan, has the experience, knowledge, dedication and most of all the desire to give Nevada 100 percent. Re-elect him on September 14.
