was proclaimed a professional entertainer, but also his band recorded its first single record.

He went on to receive the best male vocalist award in the El Paso, Texas, area.

His band was the first American band to work in Juarez, Mexico.

Don and his bands have appeared many times on television and on stage with opening acts for major stars who came through El Paso.

His bands have entertained in Texas, Arkansas, Oklahoma, Louisiana, Tennessee, Michigan, Colorado, California, Arizona, and Nevada.

Don studied music at a branch of East Texas State College. There he learned to arrange music for all instruments, and how to read and write music.

Hearon moved to Nevada in 1977 and began to study electronics at Clark County Community College. His studies enabled him to learn how to repair all electronic equipment and to operate his own recording studio which he had for three and one-half years in Las Vegas.

In addition to being a professional musician and electronics specialist, Don is also a master barber and a barber college instructor.

Don states that the major purpose of Aslon Studio Productions is to provide minority programming for television such as children's programs, commercials featuring minority persons, concerts, educational programs, and training facilities for children.

He has had a training program for aspiring musicians, dancers, and actors in Las Vegas for the last five years.

His band is made up of locally trained talent. Most of the talent that has been trained by Donald Ray is now ready for professional work.

Don would like to see more Black parents involved with their children in some form of the arts such as music, art, dance, and drama.

portunity as such, if not for the above mentioned office, then perhaps the Secretary. We wish to say "good office seeking," Miss Collier.

Must stop and take time to say: Happy Birthday to Teresa Mingo, who, on Oct. 2nd, had a HAPPY/HAPPY BIRTHDAY, BABY BEST WISHES TO YOU. She is a Libra, and a very charming lady that I think very highly of.

This past Saturday found folks jamming at the Arcade on Miller and Highland, having Bar B.Q'd Ribs, potato salad, and PAC-MAN! Did you know that people have got PAC-MAN, Mrs PAC-MAN, and many other games just walking through their mind and blood? And if you ask me, there is no cure for it.

I told my Mother that I was glad, so glad I don't know why, but I'm sure it is of her loving ways, and things she has had. ME!

Again, I write you to beware of TYLENOL EXTRA STRENGTH CAPSULES.

And BEWARE of it, people of our community and readers, because of that which is only a few days off — HALLOWEEN! A time when The Goblins and other faces pop up to come out for TRICK or TREAT for the KIDS. PARENTS do take care with your children! WATCH OUT for the gifts of candy and other items they may eat. Do Check IT OUT, CAREFULLY!

Two weeks ago I saw Al Jay who was a very popular

D.J. at the no-longer on the air K.C.E.P. Radio Station, which was eased off the airwaves. He is looking fine and is yet close to the record business. He works at Odyssey Record Shop. He looks as if he is enjoying his work. But I know I am one of the many people in our community who wishes he and the other fine people of K.C.E.P. were really back on the air and giving our black community some of the pleasures we miss and need. Al Jay, you still have a smile on your face and a song in your heart. We all miss and love you.

Angry! Sometimes when the days are bad and I'm lonely feeling and very mad, I look on high at the skies of blue, then I'm feeling bright and true. Yet I'm mad as I can be, cause there is not our K.C.E.P.!

My aunt, Mrs. Bobbie Troutman, spoke to me of her desires to open a Book Store in The Nucleus Plaza to bring a needed art to grow in MIND POWER. The art of reading is very much needed in our community by young and older ages alike.

Next week I shall touch upon the Video Game crazy. Is it good, bad, or ugly in the eyes of your mind?

Remember to get your copy of THE BLACK DIRECTORY which is on sale from Mr. and Mrs. Porter Troutman. Let it help you find others in our city who are doing things and business for you.

The Sun! Just put a memory in my head. I say, would it not be fun, if I were walking up on a hill and said: Wake Up to the sleeping SUN.

Remember I luv-U, Regina S.

ME Question of tha'week: "Who is a Aries like ME, born on April 14th some three decades ago and has so much love to give — Yes lawd! If you know please tell her daddy that somebody's watching her . . . .

When the JAZZ WAREHOUSE adds a dash of the spicy sounds of Wil Chapron and The MODERN QUINTET's music on Bonanza Rd-West, folks come to enjoy the night from 11:00 pm until each Thursday thru Sunday Nites, where there is no cover charge at the door. Let your fling be flung in a total element of jazz, pop, soul, rock, funk-disco, and Thangs in a soft lite room which boast of a most relaxed At-most-sphere for the adult and young adult people who get out on a nite on the town. The members of the Quintet are: Bill Wright — lead guitar, Charles Phillips — keyboards, Mr O.D. — on drums, Clarence "Spoon" Witherspoon — plays alto sax, Senamum — is the featured female vocalist who hails from Kansas City, Kans. And the one and only Mr Wil Chapron — Bass guitar and vocals who has a musical background with some of the heavy/heavy greats of the

minds of music. Watch them in action! . . . .

I hope each and everyone enjoyed a safe and happy week-end off and away from the work-task. ME is hopeful that many/more people will be finding some types of work or receiving aid to carry-on in this time of low pay and high priced living and in some cases NO PAY! Work towards helping others to keep on keeping on . . . .

Our State Plate-O-tha'wk is: RUDY P — who is named like ME! So nice tha'see the many bus loads of out of town black folks coming to enjoy some fun and tun on the west side of tha'city in The New Town Tavern and Love's Cocktail Lounge and Show Room, plus The Club Rouge, and The Peoples Choice, and other places of entertainment. If we do not get IT TOGETHER, WHO WILL . . . HUH?

Like Mr James Brown said: "I/ME feels good! And had a good nights sleep and now it is time to get up and hit-um/ slick-um and do a good days work cause the Big Boss Man is ringing d'bell. Baby ME know it is time to go. Nita, like E.T., I want to go home, Me want to go home . . . I'm missing you. — monamodi-82
