THE SASSY FASHION MODELS HAVE HAD THE 1983 MODELS (adult and youth) SELECTION and ME will let you know and see who they are in a few days from now after I get my wits together after the swinging PISCES-ARIES-TAURUS BIRTHDAY PARTY this last week-end . . .

Love's Lounge floor of dancing was packed to no room the other night after The Sassy Fashion Revue and DESTINY started to playing for the many wonderful people who came out and had a good time. Right here where so many black folk won't come On ME STREET (JACKSON AVE.) . . . DESTINY IS A FINE GROUP OF YOUNG MEN who came to town and want to entertain you with a whole lots of SOUL!

I really do want to get down and thank the folks of JOHNNIES MEN BOUTIQUE and PAULINE SPORTSWEAR on East LAKE MEAD and LOUISE HILL OF CATTANI of CALIFORNIA for the clothing worn by the models. THE SHOW WAS WELL RECEIVED BY ALL WHO WERE THERE and That made ME so HAPPY cause I am a ARIES-MAN DOWN TO THE BONES!

Things are moving fast and hard to dry up this side of town from any action at all. Have you took time to stop and take note of the sad facts of no money being in homes to care for the needs of the blood-stones . . .

A get-well to Rita Maxey and her sister Margaret Parson who are on the road to re-gaining the up-and-around bliss . . .

It is so bad to see folks living in this for real mess of the west-side of town. Just rapping to a fellow reporter about some hypothetical leaders who, in my way of seeing, are moving way too swift for the

ones here who keep living in a dream of a good leader.

Hey! are there no good folks here who could do right and help, not lead on, in the right fight dat'needs ta be fought for black folks and the rights, oh so often kept away . . . This is a for real mess we have here in this community and it is getting worse and no hyperbolic words of who is who in the past, present, or future is going to set no matters up-right here on this block of land 'cept the jive talk stops and get on with the true biz of walking tall and stop the down the one the other action that keeps blowing in the wind like coastal gale winds on the shores of the black birthright . . .

FOOLS RUSH IN WHERE WISE ONES FEAR TO GO! BE ANYTHING, BUT PLEASE LEARN TO BE STRONG AND STAND UP FOR THE OTHER IN SPIRIT & TRUTH.

The Black People In Our Community . . .

By: Regina Straughter

Black people in our community, It is a good thing for me to be able to tell you about the good time many people had with the Sassy Fashion Revue this March 26th. We want to thank all of the wonderful people who came out to party with the spring-time people and what a party it was with Disco Music by Peabody and Lady Dazz!!!

The Sassy Fashion Models did a bang of a show in revue of clothing, fine modeling and acting like the video-tapes along with the latest songs played . . .

Rudi Jackson was the man of vision who came to Las Vegas some six years ago with what he calls scenic-modeling and now many others are trying to relate to it . . . But I am going to say: The Sassy Fashion Models have it together, both young and older models, 'cause we take time to learn and train as we learn to work as a team . . . (like the mighty Running Rebels worked as a team to become No. 1.

The adult models are going to have, along with K.C.E.P. Radio Station, a Happy Birthday party for The Aries People of Las Vegas . . . Like: Taro - La'Dora - Rudi-j. - Sylvia - and All Other Aries Born People . . . It will be at The Colony Club located at Highland and Miller. The time is from 9:00 pm until you go home or pass out . . . Make Plans to be there and help K.C.E.P. by giving a donation which is needed to help them stay on the air for your listening pleasures . . .

Hello again to Tonya Fiesta . . . Gretchen Giles . . . and . . . Timicio Barns for doing one more time what you did the last time as you ate the hearts out of the runners of Boulder and Basic High Schools track team (runners) . . . I tell you they be just sport'in with their bad (good) spirit of Western High School.

Oh Yes! Let me be the one to say a warm thought to the new Miss Sassy Fashion Models (adult) Willie Earl Spann (youth) DaHauna Collier . . . who will be our top ladies in fashion for the year of 1983. Both are such sweet and gentle ladies and we will be very proud of them and work with them to see that they enjoy being Miss Sassy Fashion Model - 1983. As Rudi Jackson says in his writings: HATS OFF TO Miss Willie Earl Spann & DaHauna Collier!

I have got to go to bed so as to dream sweet dreams of things to come in my life and hope you have a good night and awake fresh and face the work and world we all must do to move into a new day of meaning of what it means to be a black person in a hard world which has caused so much hardship to fall upon many. Well I have got to go now. See you lay-ta . . .

Oh yes! Do You
Say you love me
Do You
Say you need me
Or
Do you say my love is free
Do you care/or/else sometimes
your love is not to bare . . .

Luv, Regina!
