

### Our Leaders Of Tomorrow

Starting in next week's edition of the Las Vegas Sentinel/Voice newspaper, Associate Editor George A. Burns will begin a new and indefinite series entitled, Our Leaders Of Tomorrow.

We shall start off this series with former Deputy District Attorney Booker Evans, who's now with the United States Attorney's office.

This series shall take an in-depth and serious look at the new leaders developing on the horizons. We will hear their views on what new directions and leadership we can and will be expecting tomorrow.

### A Kid's Opinion

By Che' Jones

I think kids should have more recreation for the summer and the pools should be open at least 7 days a week from 9:00 a.m. to 10:00 p.m.

Movies should be cheaper for kids on weekends. There should be more boys' clubs around the neighborhood and jsut a \$1.00 fee for a membership card.

Okay...my point is, that all these things could stop kids from stealing, joining gangs and taking drugs.

But if these kids don't like these activities, it's up to the parents to keep their kids out of the dump. Know where your kids are. Make 'em check in every hour or so. WATCH YOUR KIDS!
