

Ain't That Loving You Baby and ME Don't Even Know Your NAME!

# JACKSON STREET & ME..

By Rudi Jackson

Let ME tell you about some of the uptown - down/town time ME had over the past week-end...Me got a chance to meet a few lovely ladies along with a few fine to deal with men...Let ME get the men out of the way so ME can dwell on the girls...OK...

Kenny Brown (son of the famous bass player (Jazz) Ray Brown), he has had one moving life in show biz with Gladys Knight & The Pips plus other top notch acts...Then, there wuz Jack Whitehall in from Memphis, Tenn; he is into radio stations and can sang a mean blues or two...

ME had took the news papers to the people who work with B.B. King-Show. There standing in line for the mid-nite show was a lovely lady dressed in black and white (zebra stripes) and ME had left ME hunting gun at home. She smiled and SHE/ME said hello. ME then ask was she a very lovely VEGAS VISITOR; she said she was a Vegas person so now ME ask would she like to be mentioned in the Sentinel-Voice who ME had seen headed to see B.B. King...“Yes”, she said cute and lovely, then she said: “I like your article and read it often.” ME was made to feel good. Her name is: Cathi Marsh.

But that is not all to this. UP walked another foxy-fox, her friend and said: “Hello, Mr. rudi-.. How are you tonite?” ME turned and much to ME eyes there stood Miss Bad-SUE, the band booking lady from San Bernardino, about to put her arms around ME big fine frame, (smiles). Like Cathi, she too was togged in a beige and burgundy outfit. The line was moving a bit and the rest is history that will come together some-day-soon. WOW!...

Got to write and mail the paper to some swinging having fun ladies from Denver, Colorado who came all the way here to have fun and see Mr B.B.King, as put by jive talking Ruth Martinez (who has a lovely daughter who is with P.B.S. Ch-6 T.V. in Denver where ME + RICHARD HARVEY did some shows in the early 70's), along with (cutie-pie) Arlen Marquez, Cleo Silva (dressed in a white pants suit), Dona Day (who did not think ME would write this jazzy bit of them living it up watching GWEN BRISCO-SHOW in the CASBAH LOUNGE while seated at the bar looking thru a big glass window!), Diana Castellano & Jane Turman (who were inside seated watching Gwen Brisco). They had saw the early show of Pete Barbutti & B.B. King...

RUTH HERE IT IS! Give ME LOVE to DENVER and LET US MAIL YOU A PAPER! Ain't That Loving You Baby and ME Don't Even Know Your NAME!

Next ME C'd BE-BOP and Calep who are with B.B. and ME gave them the newspaper for the others...

Next ME spotted Hampton Reese headed for the

piano-bar where Songstress Stacy Carroll has played for some three years on the week-ends and is she good and looks pretty all the time (She sang Willow Weep for ME...my/my...what a song)...Hampton and ME then made our way to The MAXIM HOTEL where sassy/zanty Janis Carter - song stylist is appearing (ME has to call her today and hold an interview with her next week some time). However, she will be opening this week at CAESARS PALACE on Cleopatra's Barge (call the Hotel for time and be-sure to catch her show which is GREAT!)...

NOW LISTEN GOOD cause ME is only going to type this once Her name is: DEBORAH DUNN, fine and foxy, stands some 5 feet to the tee and has an original mole on her pretty bottom lip on the left side-WOW! Her can be seen checking out the table eats over the BIG-8 Market on H and Owens day-to-day. Looking good in blue jeans...

Hope the young people and adults who went to Magic Mountain had a good time over this July 14th week...Who won the free trip? ME didn't... Hello Jackie Rene; you have a lovely mother and ME hope you stay as sweet as you are...Twenty is a good age of two Tens...Right?...

Hello Cookie; we of The Sassy Fashion Revue wish you the best in life all of the time... Emmalee Henderson says Hats Off To All The People Who Work At The Test-Site and So Do ME!

The State-Plate-O-Tha' week is: Tony-Z, cause he slides thru the traffic with the greatest of ease & tries to stay that way...

OH YES! ME wuz able to see a use to be neighbor who is working in the main-room at The Maxim: SEBRINA DANIELS who is a class/sassy dancer and song-bird who has got a break and is working hard to stay in with the in crowd...

Janis Carter sang her last song around 5:00 am and ME headed home, got ME Dirty Clothing and shot to T-N-T Laundry-mat before 8:00 am to beat them Momma's with a whole lots of clothes.

Who do ME see when Me gets there? ME good friend and gossip girl Alberta G. ME woke up and got alive cause a pretty girl can turn a man's whole world around when they come together. Right, Girls-monamodi-83.

## The Wright Family Attends Reunion

The members of the Wright family recently gathered in Hot Springs, Arkansas to attend three reunions, their family reunion, their school reunion and their church reunion.

The family reunion is held every two years in different cities, while their school reunion is held in Hot Springs every three years.

The family members Family members at

tending the reunion from other cities were Rev. Frank Wright, Jr. and family from Kansas City, Missouri; Rev. Felton Wright and family and Rev. Earl Wright and family from Detroit, Michigan; and Rev. Earnest Wright and family, residents of Hot Springs, Arkansas.

Other family members came from California and Indiana.

Rev. Earl Wright, president, presided at the family reunion, where all members engaged in religious and social activities. An enjoyable time was had by all. The highlight of the family reunion was the tribute and honor paid to the family's late parents, Frank and Emma Wright.

The Langston High School reunion was held in the Arlington Hotel in Hot Springs. Former students, teachers and administrators from 1903 - 1970 gathered from all over the United States and Canada. Rev. Earl Wright from Detroit and Rev. Frank Wright, Jr. from Kansas City, both of the immediate family, were main speakers during the welcoming program. An exciting time was experienced by the attendees, along with much reminiscing.
