## KEN'S COMMENTS

By Ken Wilson

The Las Vegas Stars, with a 78-55 overall rating and 33-29 in the Pacific Coast League's South's second half, improved their standing to 79-55 and 34-29 on Tuesday night by capitalizing on the lack of hitting power of the Vancouver Canadians in a game at Cashman Field in Las Vegas before a rather sparse crowd of some 3,500 fans by winning the game with a score of 13-7.

The bat of Kevin McReynold proved too much for the Canadians, as he collected three hits, including a grand slam home run.

The University of Nevada, Las Vegas football season is just around the corner. The Rebels' first game will be held on September 3 at the Silver Bowl in Las Vegas against the University of Nevada, Reno. The Rebels have promised the public a better show this season than last year's poor showing. Good luck, Rebels.

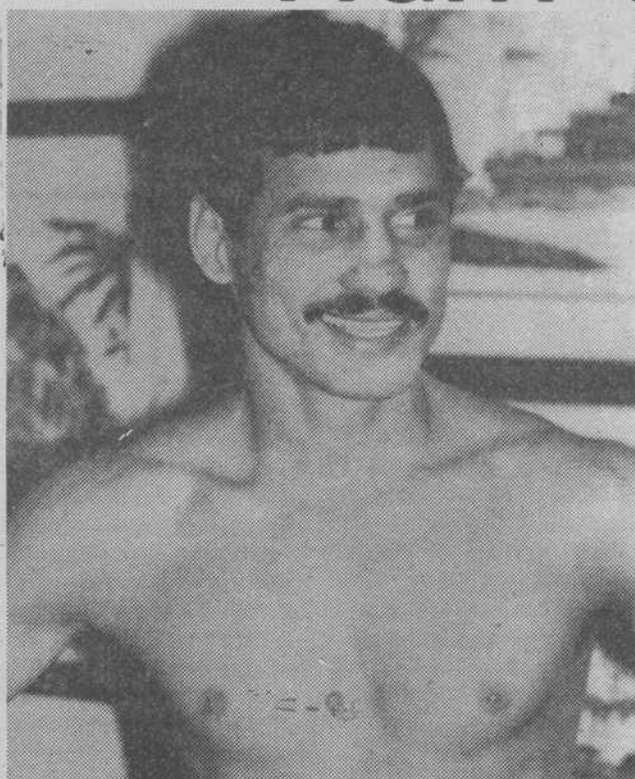

The drug scandal presently rocking the Pan-American Games in Caracas, Venezuela, seems to be causing quite a stir. At the time of this writing, thirteen United States athletes have left the games and returned home. The mass exits were caused by the detection of steroid use by some of the athletes. The president of the U.S. Olympic Committee, William Sinton, stated that "this is the largest expulsion of athletes in the history of international competition for drug abuses." In all, 21 medals, including 11 gold medals, were disallowed. However, it must be remembered that a few of the exits were for causes other than drugs.

Las Vegas' junior lightweight Freddie Roach will take on Carlos Bryant in a featured 10-round bout on Thursday night at the Showboat Hotel. The show will begin at 6:00 p.m. in the Hotel's Sports Pavillion.

Also appearing on the same card will be a 10-round bout in which undefeated junior middleweight sensation Mardo Royball will battle Dennis Home.

The National Football League has created quite a stir among some of the veteran players by choosing some rookies as initial starters for this fall. It appears that the younger more aggressive players are winning spots on teams.
