HOLIDAY THOUGHTS

Now that we are through gobbling down the turkey, which left us feeling stuffed and sluggish, we begin to make plans to do the same damage to our bodies for the Christmas holidays. Before we can digest the turkey — here comes Christmas.

With the economy as it is, and everyone complaining, including myself, that we are broke and can't cope with the high cost of living, yet we somehow manage to prepare that sumptuous meal for these festive occasions.

Then as we stroll through the various shopping centers and see the beautiful Christmas displays, we get carried away and must purchase gifts for those whom we love, for we are impulsive buyers.

This year, as we do these traditional things, let's remember the true meaning of Christmas by celebrating the birth of our dear Savior Jesus

and playing her flute.

Jocyelyn L. Wilson, the daughter of Mr. & Mrs. Roy Wilson, attends Bishop Gorman High School, where she is a songleader. She is also a member of the Concert and Marching Bands, the volleyball and softball teams and the Drama Club. Jocyelyn enjoys playing the flute, skating and horseback riding. She plans to attend Prairie View A&M University in Texas and pursue a major in Respiratory Therapy.

Detrita Atkinson is the

Christ with more thoughtfulness and love for our fellow men, for it is written, "How can we say we love Him whom we have not seen and cannot love those that we see each day?" Is this possible????

Baptist Church, Houston, Texas, is dead.

We received the sad news from his lovely and devoted wife Opal — a Bishop College classmate of mine.

His work is finished here on earth and may he rest in peace.

And to my dear friend, Opal, please be assured that "God will take care of you" if you "Only Believe" for "All things are possible."

PRE-CHRISTMAS PROGRAM

A special pre-Christmas program will be held at Pilgrim Church of Christ Holiness, 1515 "D" Street at Harrison, on Sunday, Dec. 11 at 3 p.m.

The program sponsored by the youth choir promises to be a grand affair. The public is invited and admission is free.

A TOUCH OF ETIQUETTE

1. The word "shower" is used to mean "to shower with presents" and it is the only form of grown-up entertainment at which a present is mandatory. A shower is never given by a mother, mother-in-law, daughter, sister, or sister-in-law of the guest of honor.

2. It is important to put a return address on the envelope of your mail. Thousands of letters go astray each year because the addresses are incorrectly written and there are no return addresses. Also, many letters are not acknowledged because the recipient does not have the sender's address.

3. When entertaining, the good host or hostess does not force guests to stay on and on when they have indicated that they are ready to leave.
