SLOW COOKER COOKERY

One of the most serviceable small appliances to be found in any kitchen is the slow crockery cooker. Indeed, to many women, it has become an indispensable item, especially to those who work during the day and do not wish to spend hours in the kitchen when they get home in the evening. But even housewives find it useful, because it frees up their time to do other things.

Other important aspects of this type of cooking are its economy, nutritional values and enhanced flavor — aspects that all of us are interested in!

Slow cooking retains more vitamins, minerals and juices in the food, makes less expensive cuts of meats tender and tasty and the cooker cooks all day for about 3 cents.

Another plus is that you never have to watch the meal as it cooks — just put the ingredients in the slow cooker and forget about it!

Here are some excellent recipes you'll enjoy cooking in your slow-cooker. Get the ingredients going early in the morning and come home to savory aromas at dinnertime.

BEEF BURGUNDY

- 2 lbs. lean beef shoulder or chuck, cut in 1-inch cubes
- ½ teaspoon salt
- ¼ teaspoon ground black pepper
- 1 tablespoon butter or margarine
- 1 tablespoon vegetable oil
- 3 tablespoons instant tapioca
- 1 cup Burgundy wine
- ½ cup beef bouillon
- 1 tablespoon tomato paste
- 1 cup chopped onion
- 1 can (3 ozs.) whole mushrooms, undrained
- 1 bay leaf
- 2 cloves garlic, crushed

Sprinkle meat with salt and pepper. In Dutch oven, heat butter and oil, add meat cubes and brown over high heat. Place browned meat in slow cooker. Sprinkle with tapioca and add all remaining ingredients; mix well. Cover slow-cooker and cook on high-heat setting for 3 to 4 hours or until tender, or cook on low setting for 7 to 8 hours. Serve with hot, cooked noodles. Glazed carrots would go well with the meal. Makes 6 servings.

TURKEY ROAST A LA CURRY

- ½ cup chopped apple
- 1 clove garlic, crushed
- Few chopped celery leaves

Blend milk into cornstarch smoothly; stir into liquid. Cook, stirring constantly, until sauce thickens and comes to boil. Taste sauce, add additional salt, pepper and curry powder as desired. Slice turkey roast, arrange on platter with hot cooked rice, spoon a little sauce over; pass the rest of sauce separately. Makes 4 to 6 servings.
