Jazz Album Reviews

There's no place like being at home. The comforts of being at home are relaxing and soothing. "At Home," the album by the Paul Smith Trio, is relaxing and soothing jazz music. The melodies are bright and heated on the

tune, "The Girl From Ipanema." "Cheek To Cheek," another song from the record, is always a good way to keep warm at home. A powerful Indian-style song on the album is "Cherokee."

PEACE ON EARTH, GOODWILL CLOTHING TO ALL WHO ARE IN NEED OF CLOTHING!

JACKSON STREET & ME...

By Rudi Jackson

Where OH Where has 1983 up and went, may be on the minds of many as we move oh so swiftly into 1984 and the cry of the leaders if MORE! MORE! MORE! GIVE MORE of your hard earned dollars up so that we may have peace. But, That we don't have here at home, or, over in other countries of the earth. And never will as long as the ones who cry out for peace ca-jole the minds of the masses who feel at ease to be led into the acts of hate and wars...

PEACE ON EARTH, GOODWILL CLOTHING TO ALL WHO ARE IN NEED OF CLOTHING! SHARE WITH SOMEONE ALL YEAR LONG...

THE words of ALBERT DUNN (you remember him, do you not?) appear to be coming true concerning the JUDGE who is stepping into the swinging

The musicians on the disc include Frankie Capp on the drums and Wilfred Middlebrooks playing the bass. The Paul Smith Trio makes us all feel at home. At home is where I'd like to be.

From the icy chill of winter, comes the long-awaited joy of spring. "Joy Spring," the album by the Joe Pass Quartet, is blooming with jazz music. "Joy Spring" is clean and fresh, just like a new spring day. The title-tract is filled with joy and springtime. "Some Time Ago," a cut from the album, is old-fashioned and quaint jazz music. "Relaxin' at Camarillo," is a song for easeful listening.

The members of the band are Joe Pass picking the guitar, Mike Wolford playing the piano, Jim Hughart keeping the bass and Colin Bailey pounding the drums. So check out "Joy Spring," the season is right.

AX out to get his head for deeds of wrong in the eyes of many... Oh well what goes around comes around and there are a lots of the ones who sit and rule in high places being stripped naked of the hidden deeds they have got by with for years...

How can the people live rightly when the very head and feet of their moving is so shak-y?... One soul sister was telling ME how high her power bill has done went up to. So ME said to her: "Check out and see what or which of the hotels wuz adding own or what new high rise building is being built."

So much under handed deals have gone down during 1983 and folks had better brace themselves for 1984, cause thangs is show'nif going to be show'nuf rougher than all get-up. Many have had it

When I have difficulty sleeping at night I listen to a little night music. "Alittle Night Music," the album by the Freddie Hubbard Group, is gentle and soft jazz music. The nights are made shorter with tunes like "Sky Dive" and "Bird-like." The lulling effects of "The Intrepid Fox," are calming and peaceful.

The players in the band are Freddie Hubbard blowing the trumpet and flugelhorn, Joe Henderson on the tenorsaxophone, Bobby Hutcherson on the vibraphone and Billy Childs playing the piano. Larry Klein is on the bass and Steve Houghton is pounding the drums.

You don't have to wait until evening to get "Alittle Night Music" — Freddie and the gang will help you through the day as well.

easier than others; such is the ways of life. But did you take time to share of you and your belongings with others? If not, then make a pointd effort to do so in 1984 and then you can see how wonderful it is to care and help others to live in this twisted world a bit bitter... Not You nor ME can carry the world on our back or shoulders but there is a portion of it that we can lift up out of the mire and quick-sand ways which be so greatly seen as many slip deeper into darkness...

Have you noticed how many of the soul brothers and sisters are giving up singing the blues and starting to slip into the growning \$\$\$ world of gospel?... Just rolling with the flow of \$\$\$/HONEY/\$\$\$ is the top and bottom line...

Black people are at a low in the job market and it is going to get worse if the G.O.P. DONKEY holds the top seat in The U.S.A. for a few more years, is on the lips of nearly all folks these days...

ME do hear a few bits of good news like THE POETS WORKSHOP OF LAS VEGAS inviting any who wish to come to their grand poets work-

shop Dec. 28, 7:00 p.m. to 9:00 p.m. in The Las Vegas Library, 1726 E. Charleston Blvd. (The Charleston Plaza Mall)... Ray Charles did a grand thing by coming to the Sahara and doing his thang for Alberta & Alice, two sisters who had a nice evening out on the town with "Question Mark," a big time spender from the land down under where the kangaroos grow and hop about...

Hey girl, you better slow your Cad-o-lac Down! (smiles)...

With just two more weeks to go in 1983 let's us try hard to do it on the good foot if we have a foot left to do it on, and, MAY ALL YOUR DAYS BE MERRY AND COLORED LIKE THE RAINBOW JUST AFTER THE RAIN. LET THE SUNSHINE, CAUSE YOU CAN SEE CLEARLY NOW ALL THE PITFALLS WHICH BE LAID FOR MEN TO FALL INTO IF THEY ARE NOT CAREFUL... THIS HAS BEEN A GOOD YEAR FOR ME AND MANY WHO WORKED HARD TO MAKE IT SO FOR SELF AND OTHERS... DO GOOD AND GOODNESS IS SURE TO FIND YOU!
