CHAMPAGNE COCKTAIL

Here is a beautiful blend of abbreviated hair and a look reminiscent of a distant romantic era; a harmonious combination of the new and the old.

ALL-TIME BOB

A simple chin-length bob, always in season, always right for day or night. This stark simplicity is offset by cutie-pie bangs that over-hang the eyebrows.

Helen

GIN FIZZ

This Las Vegas collection shows mid-length hair in a variety of soft and simple wispy curls. In this design most of the details are keyed to face-framing froths and bangs.

LAS VEGAS AFTER DARK

Regardless of the daytime casual look, Las Vegas' smart set enjoys more formal garb during evening dates. Here is a current hair fashion exhibited.
