

### SEMINAR FOR SENIORS PLANNED

By H. P. "Fitz" Fitzgerald

The Westside Community Development Commission Training and Education Staff will conduct a "Do-It-Yourself Home Repair/Maintenance" seminar for women senior citizens living in the Old Westside and Vegas Heights area on Friday, Feb. 10, from 9 a.m. to 11:30 a.m. in the Commission office located at 330 W. Washington Avenue (Old Westside School).

The seminar is designed and planned to teach women senior citizens, and the handicapped homeowners in West Las Vegas how to 1) make minor plumbing and electrical repairs; 2) make minor carpentry repairs; 3) know when they are being charged a fair price for repairs and/

or services by repairmen when called; and 4) how to "trouble-shoot" or detect minor or major home, appliance, fixture, or equipment problems for safety, cost or health reasons.

The seminar will be conducted by trained, experienced, and qualified instructors.

Women senior citizens interested in attending the seminar should make reservations by calling the office at 647-2177, as the seminar will be limited to 15.

If the seminar proves successful, the Commission plans to conduct one per month thru June 30, 1984, or thru June 30, 1985, if it is refunded for 1984-85 by June 30th of this year.
