

# JACKSON STREET AND ME...

## By Rudi Jackson

JOAN PATRICIA TALLEY... a beautiful lady with a background of rich heritage from the midwest of these United States. Born in Ann Arbor, Michigan. She has traveled and gained a deeper insight to the meanings of life, love, and care for people, places, and the nice things of life. Family Unity is a very strong factor and force which aids in the blessed cords which bind this wife, mother, and Black Humanist. She and her husband, Chief Master Sergeant LUDDIE TALLEY of Nellis A.F.B., believe in the rights and equality of both mates in marriage and feel moved to let each other express the duties of a marriage in a most agreeable manner day to day by way of sharing thoughts and deeds together.

While growing up she attended and finished 12 years of schooling in Ann Arbor at The Saint Thomas Aquinas School... (We were having lunch at CHEZ POLLEE CAFE. The chicken wings were E to the T.) However, her education grew greater as she ventured in travels in Washington, D.C. (a smile upon her face) where so much took place with such inspiration. She learned many thoughts of wisdom from the black instructors at the very fine-tuned University of Washington, D.C., and Washington International University, which has instructors from many nations of the world. A very talented lady.

She has children numbered as the seasons of the earth (4)... There is GINA MARIE, a bachelorette who works for

Merrill Lynch in Oakland, Calif. (Hey Ginal ME left ME heart in San Francisco, have you seen it?) MICHAEL JAMES TALLEY and his lovely wife LORI, who are stationed in Germany... Hi Kids/Love from MOM!... CHRISTOPHER JOHN TALLEY, U.S.A.F., now stationed in Japan and who phones state-side around 4 a.m. our time to tell mother and dad that he sure misses the Philippine Islands, which to him is LIFE that is LIVING! The young man is a Solid Disco-D.J. (Hey! no wonder he digs the P.I. — He has the showbiz name: Christopher Saint John Talley — WOW!) Then there is LISA ELIZABETH TALLEY, a talented sophomore at Rancho High

School, who is very serious about drama. She appeared in the play "Lizzie Borden," as a reporter, and has done many musicals where she acted and sang. Lisa was invited to attend The Duke Ellington School of the Arts in Washington, D.C., but their family made the move to Las Vegas in September, 1982.

Chief Master Sergeant Talley serves as an Office Manager.

Gourmet Cooking is her greatest hobby. She loves to try out new recipes and to share her cooking with her friends and neighbors. Next she said: "Rudi we would be delighted to have you as a dinner guest in our home." Me thought of how nice that would be and voiced: "Mrs. Talley! Guess who is coming to dinner?"

Next she spoke of her desire to get involved with working with the Seniors of the Community and if you know or need some care and help, phone our newspaper and we will put you in touch with her.

A very fashionable lady is Joan Patricia. She has worked as a Beauty Consultant in facial care for Fashion Fair Cosmetics by Ebony and she is doing the MODELS MAKE-UP for THE

FASHION REVUE this March 24th at The NEW TOWN TAVERN. Male and females ages 12 to 21. Showing them knowledge of skin-tones and care of the mind and body for the good life.

(SO WELCOME TO OUR CITY J.P. TALLEY.) This community needs all the help it can get to help make so many wrongs/right!

Please, Editor of the paper, LET ME say ABIG HELLO TO CUTE: HESTER COOPER AND KATHY PARKER, for they are two young ladies who read this here newspaper and want to be IN IT and SO DO ME!
