JIM COLLINS
For
President

WE ARE READY FOR A CHANGE! The recent culinary situation has proven the need for an experienced, strong negotiator who is willing to work hand-in-hand with a Democratic, young and aggressive administration. This new concept, which our team represents, will surely restore strong leadership to our Union. Our top priority is to pick up the pieces and unite our people again. You will not be afraid to voice your opinion. You will not be denied the right to be informed. Increased benefits for you and your family, backed by Union representation, will make you proud you belong to Local 226. Don't gamble with our Union again! Stand up and be counted! A vote for our team is a vote for you and your future.
