

JACKSON STREET AND ME...

By Rudi Jackson

Hey! Has ME got a whole lots of info-mae-shawn for you soulful readers two-day. Ripe like a juicy slice of watermelon on a hot summer's day in THE MEADOWS.

The GRAND OPENING OF HERITAGE HALL was attended by a number of our community minded leaders. But as always, most of the community has not been trained to attend such functions as this which took place this past Thursday.

How - so - who - ever - wants-to-know-it! The H.H. is really a total wonder in our W.S.O.T.

(west side of town) and ME is just hope-N-that the many folks who have been having them ripping-you-off at the pocket book prices will come back to THE BLACK GHETTO and help lift up the standards of this part of the city by holding their social events here with THE BLACK FOLKS who they came to THE MEADOWS with a few years ago! ME WISH YOU THE PEOPLE, BOTH BLACK AND WHITE, TO COME BACK TO HERITAGE HALL! RIGHT ON YOU NUKE PLAZA PLANNERS FOR NOW AND IN

THE FUTURE!
