CCSD 19TH LARGEST IN U.S.

The Clark County School District moved up in ranking from 21st to 19th largest among public school districts according to figures contained in the current Educational Research Service (ERS) analysis of the 50 largest school systems nationwide. This latest ranking in-

formation is based on enrollment reported for the fall of 1983. According to the ERS survey, CCSD has shown an overall increase in enrollment of 19.1 percent from 1971 to 1983, a much larger increase for the period than any other district in the survey.
