

JACKSON STREET AND ME...

By Rudi Jackson

Now that the dust is back ta'being dusty and folks is back ta'being lusty, ME can tell it lack ME C'd it over the last weekend. The Mike Jackson look-a-like was a E to the T affair and so wuz Herticine & Katherine's Evening of FASHIONS. THE SEWING FACTORY has sho'nif got sum fancy draping cloth to sling & sew for folks! Lattimore U

sur'nuf did a whang/bang job of M.C-ing The Mike Jack... Show at The New Town Tav... Brother! ME looks to B C-ing another in a few ticks!

But now let me move on with the up-coming events for the poorly people fun and entertainment coming out poopers/wit/droopers... You'all folks is just going to let the black side of

town dry up and then the boys 'cross town will move in with money and boom/boom, the black community will be gone... Stop ham and bacon acting and wake up to the sell-out of this Side's so-called Leaders... Where is the big change? And tell me when will it get here and for who?

But any which a-way: ME wuz give this tid'bit of News: Club Rouge 3-Day Celebration, Aug. 31st thru Sept. 2nd, Friday night is Awards Night with that sweet hunk of a soul sister cake Mss. Alfreda James & 4+4 Band, 10 p.m. Disco & Soul Food! Sat. Night (same time) is The Club Rouge Party... Alfreda & 4+4 Band... mo-Disco & Soul Food! Sunday Night is 7 p.m. Hair/Fashion Show Plus Hiram Walker (whoever he is) features a new product at Club Rouge. Open to the Public

(whatever that is). Thank You, LaDor (ME knows who she is, an Aries Child lack ME!)

Then on Sept. 8th the West Las Vegas Jaycees is presenting The Sassy Fashion Revue & Dance in Memory Lane Lounge, 9 p.m. (there is plenty of good entertainment on The Black Side of Town but so many black folks is done left off being seen out with folks they grewed up wit back home... Why come?).

Oh yeah, let me back up/let me back up before Marva (Sassy Fashion Model) Love be sho'nif down on ME for not telling you that on Aug. 31 she and Silas (jesus friend) will be modeling at The Union Plaza at The Heritage Fashion Show, 8:30 p.m. (see Mss. Marva, ME got'cha covered wit yo'sassy self). She and some other foxy models will all be at Memory Lane come Sept. 8th and at Love's Cocktail Lounge on Sept. 29 for the Honoring of the North Highland Dr. Biz'ness Group from Hair Un-Limited clean on up to Black Hair 2001 by Tiffany's-12 Social Club.

This is a time for moving into new things and cut the jive'time dump stuff out and enjoy the Black Community in a meaningful way... ME is proud to

see a few folks who have made progress are yet down home folks who can and do relate one with the other and not on a phony/baloney setting but be/being for real with they acts.

ME is not just here blowing smoke ME be seeing this action in other times and places but many have made the move to create good things for black folks in other cities and are moving ahead, thanks to good leadership on the part of black folks who have not put they fellow brothers and sisters down but picked them up and are yet doing so.

If any race of people have been kept out of the mainstream it is blacks. But many climb up and forget to turn back and help the community as a helper could and should. Wake up folks to the real/folks to the real/deal and see what is becoming of this community called the Westside of Town, where the black folks wuz gave to live a few years ago by the system. Sure, this is the best section of the city but a few years ago it wuz the left-overs of the big boss-man and like always, he has gave the black man his left-overs at a higher price than it really wuz and in a few years price him out of it with low wages, high

cost of living, above all with booze, drugs, and slum living and slowly remove the black man from the best land and then there is no more black community! We shall overcome is about to take place! As more and more black folks move out of this community into what is being called a new location, out in the flood zones!... And once you is out there, there'll be no coming back except to do a 9 to 5 in some new highrise building on the site where you used to live!

The State-Plate-O-Tha'week: Last M.G. — A sporty little ride of Duane Smith who ME C'd and ask him who has or had the first one and him said him hopes it wuz running better than his! ME sho'nuf got a Kick out'a that!

P.S. There will be a poetry reading at the West Las Vegas Library, Sat., Sept. 8th, 2-4 p.m. Poetry Is Alive! by The Poets Workshop.

And on Wed., Sept. 5th, a poetry class will be held at the Flamingo Library, 7 p.m., writers and non-writers are invited. Call Rudi Jackson, 648-7508 after 6 p.m. for information.
