JO MACKEY SCHOOL GOES FOR THE GOLD

Things are up and on the move at Jo Mackey Sixth Grade Center under the new leadership of dynamic and energetic Linda McMoseley who comes with a wealth of experience in the field of Education.

Much emphasis will be placed on classroom behavior and quality education for our boys and girls.

Students will be motivated in many ways by a well-trained staff and will strive to win a Jo Mackey Olympic button designed by your writer who is also a teacher at Mackey. Yes, we are "Going for the Gold"!

All in all, it's definitely going to be a supergreat year for students attending this school. So kids, let's "Be there! Be there."

## A TOUCH OF ETIQUETTE

1. When you apply for membership in an organization or if a member submits a name to the organization and the membership voted against the acceptance, never query to find out why you were not accepted. It only causes further confusion and unpleasantness. The vote of the membership chould suffice

should suffice. 2. Never whisper to one person in the presence of someone else. It is not considerate because it makes the one who cannot hear feel left out. He or she might even think you are saying something unpleasant about him or her.

3. Never smoke while dancing. Besides looking unattractive, there is the danger of burning your partner.

4. When you have hiccups, if they are resoundingly loud, say "sorry" once.
