Westside Charter faces IRS tax lien

The Internal Revenue Service has placed a \$9,118.38 tax lien on Westside Charter Service Inc. for non-payment of employee taxes.

The lien, on file with the Clark County Recorder's Office, was placed on the company Aug. 20 for the tax period that ended March 31. The company was assessed May 14.

Wesley Kirk, Westside manager, said the bus firm, owned by former Assemblyman and County Commission candidate Lonie Chaney, had solved its problems with the IRS recently.

THE WESTERNETTES' Drill Team would like to thank everyone for their support in helping to make possible their trip to New Orleans, La. last August to participate in the World Competition of Drill Teams. They performed at the World's Fair. The Westernettes Junior and Senior Drill Teams each took first place in the World Competition.
