

JACKSON STREET AND ME •• By Rudi Jackson

This is the weekend of October Frolics with The Sassy Fashion Revue as The Nevada Black Chamber of Commerce presents a night of festive enjoyment in the spacious New Town Tavern Showroom, Oct. 27th, 9 p.m. until... The Music will be presented by none other than Mr. Leo "Hit Man" & his Dine-O-Mite Disco-Crew... The Sassy Fashion models have a whole lot of new styles & fashions and new models who are going to frolic the night away into the other side of moon & stars as they present

cozy clothing from Black Pearl Fashions & The Sewing Factory and from their personal wardrobes. They are a Sassy Jazzy set of models and actors ready to thrill your will!

On Nov. 17th The Sassy Fashion Revue will be presented by: F.A.M.E. — Lay Organization in "Step-In At The Ritz!" in Love's Cocktail Lounge, 9:00 p.m. Also enjoy the honoring of some fine and outstanding Black people who have and yet are working to enhance the lives of people in our city... The Noted: Grace McGlothen, Eunice Lowe, Gloria & Ike Rome & Mary Harris. All have given many moments of service as they walk thru this earth. Do plan to attend this

wonderful event.

Juanita Simmons, you and the Lay Organization are to be praised for your up-lifting the banners of unity and coming to the aid of the Black Biz'ness in the Community trying to keep some flow of the lean/green in our Community. We need more of these kinds of deeds to turn back the tides of the oncoming removal of the people from this Community.

And would you believe there are a few who are working to do that, and, some don't live

in Vegas — like Gervis Johnson, the Ebony Tours of Los Angeles. She, along with Elijah Green & Danny Curtis are going to have, along with the Staff of the New Town Tavern, a FREE/FREE/FREE... "Get Acquainted Tea & Fashion Show" Sunday, Oct. 28th, 3 pm. to 6 p.m. ... 600 W. Jackson Ave. Call 647-3995 for added info-mation.

Last weekend a group of young adults enjoyed an audition for a on-the-board Video Production from Aslon Video Productions... Donald Ray Hearon — Producer and the casting crew were so delighted in seeing some real talented persons coming forth to start some hopeful steps in the paths of Show Biz' Ness... Donald, you and your staff are really moving in the right direction and so is Simba Dance Productions and ME is happy to know that you are

working to up-lift the banners of black people and others in our community... Hats Off LaVerne Ligon & Staff at Simba Dance Studios!

State-Plate-O-Tha' Week... 4 U Rick which is always parked in the driveway of one of the most well kept homes on the westside of town (W.S.O.T.) in this Mind of ME.

ME hears tell that Arlean Lemmon is back to making clothing for men, women, and children and she plans to enter some of her fashions in the up-coming October Frolics — Sassy Fashion Revue.

Must say Frank Kennedy is really headed for a fine world in show biz as a model and actor.

Marva Love & Denise & Reace & Patricia, what happened to you 4 on Sattidy-nite, Wuz the night before too much for you to handle in won/week??

BILLIE ROWE'S NOTEBOOK

N'ROCHELLE, N.Y. —

Though the other press chalked up the Afro-American balloting as a defeat for Rev. Jesse Jackson, we know it was more a victory for clear thinking Afro-Americans who continue to cast their ballots for those they feel are the best candidates, rather than on a racial basis like so many white folks, who are still under the impression that only the ofay can lead. How did I get involved in this? It's from all these notes you left on your desk. Speaking of notes, here's one I gave you that also makes sense. It's about Atty. Lawrence R. Sykes, who has just been installed as president of the Westchester, Rockland and Putham Counties Black Republicans. Like Dr. Gloria E.A. Tooté has been telling you all along, he repeats, it makes no good sense for all of us to be in one party. The two party system is still

the best game in town and the only way we will ever achieve our full-blown political potential. He said that Afro-American Republicans support the Reagan-Bush ticket, because the programs of the Democrats of the 60's and 70's have failed us. "Because we're not active in the selection of candidates, those chosen have no cause to be sympathetic to our needs and wants," he said. "For instance, the conservatives have conquered the thinking of the Republican party. We've got to be in it to turn it around," he concluded. Well, there were no miracles at the polls this go round, so everybody needs to vote in the November showdown. It's the most important X you'll ever be able to make in your life.

THE WORD'S OUT: Look for Tina Turner to return to the big silver. The acting bug bit "Hot Legs" momma some 10 years ago when she had

a cameo role in "Tommy." This time she'll be with Mel Gibson in "Mad Max III."... Jermaine Jackson has slapped a suit on accountants Fred Moultrie, the Moultrie Accounting Corp. and the Jacksons' Entertainment Corp. He is asking for \$2,000,000 in damages, claiming that the high cost of accounting fees are unfair and not what he agreed to pay. It's all business and had nothing to do with family feelings... Richard Pryor will star in "The Man Who Could Work Miracles," from the H.G. Wells novel of the same title, after he "cans" "Jo Jo Dancer," Columbia's semi-autobio. flick... Dionne Warwick has signed all the papers to

make T&D Productions, her film and TV production Co., legal with the Calif. State Attorney Gen. The inspiration came after she completed her chores as song coordinator for "Lady In Red." If all that isn't enough, she has purchased the rights to the life of former Congressperson Barbara Jordan. She plans a movie or TV treatment of same and natch, she'll star. I wonder if her partner being a psychic has anything to do with these recent developments.

WRITE END: PBS, despite its commitment, still has not shown 'The Black and The Green.' CHILLY MOST NANCY
