All of the newspapers in The BMI Cooperative are considered publishers of the MONITOR. Because of cost limitations in printing, we cannot provide MONITORS for all of our publishers. Those marked with a bullet are our present carriers.

Editorial Notes

This BLACK HISTORY MONTH issue pays tribute to the legacy of Dr. Carter G. Woodson, the "Father of Negro History," who, perhaps, did more than any other single person to uncover the systematic, deliberate and continuing castration of the positive essence and disorientation of our entire Black race.

This issue of the *National BLACK MONITOR* also honors the leadership of the 17 Black-owned health and beauty aids manufacturers who form the membership of the American Health and Beauty Aids Institute (AHBAI). These business pioneers are daily struggling to prove that—with broad-based communi-

ty support—minority manufacturers can survive and prosper selling primarily to a minority market. Toward that goal, an unprecedented and never-before-possible crusade commitment for that kind of support is outlined within this issue. We hope you and many, many others will be part of that crusade.
