PERM REPAIR[®]

The Effective Conditioning System For Troubled Hair

Today's hair designs are state of the art. But to achieve the best in hair fashion, your hair must be its healthiest. That's why the Perm Repair conditioning system should be a regular part of your styling routine.

Perm Repair's non-greasy, extra light conditioning formula helps mend split ends, prevent breakage, and protect hair against all types of damage.

Perm Repair Setting Lotion and Detangling Shampoo are the perfect companion products for leaving hair silky, soft, and well-conditioned for easy styling and manageability.

Beautiful Hair Begins With Perm Repair.
