A TOUCH OF "GRACE"

by Grace McGlothen

Dear Readers

Alas, Spring is here with all its majesty and beauty! We waited anxiously to see the grass with its rich verdancy, the beautiful flowers in bloom, the birds chirping, the young and the old wearing their short-shorts, and families busying themselves as they trim their yards to make the home attractive-which reminds me that I have a lot of gardening to do too.

It was good to know that

so many people went to church on last Sunday in observance of the Resurrection of our Lord and Savior Jesus Christ, but why make it only once a year? I understood there was standing room only in all the churches. I can testify to that, because I saw the crowd at True Love Baptist Church last Sunday. Unfortunately, or sadly enough, we will not see many of you in your pretty dresses and sharp suits un-

til next Easter if you live. Amazing! Incredible! I just don't get it. To the guilty ones I say, 'come on'. This once-a-year trivia is not enough if you truly love Him.

HAPPENINGS IN LAS VEGAS:

This seems to be the year for honoring people. We are beginning to recognize the importance of letting people know how we feel about them while they can see, hear, and appreciate it, rather than to do nice things for them after they are gone.

There was a testimonial held honoring Herman Moody at the Nucleus Plaza, a Tribute testimonial held at the Palace Station honoring Virginia Brewster and now the National Sorority of Phi Delta Kapp, Inc. is presenting their Second Annual Testimonial Banquet honoring Mabel and David Hoggard, Sr., on Saturday, April 20, in the Union Plaza Hotel-Triple Crown Room. No-host cocktails from 6:00 to 7:00 p.m., dinner from 7:00 to 8:00 p.m., and a special program centered around the honorees will follow.

To secure your tax deductible ticket which is \$20.00 per person with the proceeds going towards

scholarships and chapter projects, you may contact any of the following members of the sorority or call Debbie Franklin at 876-4290, or your Banquet Chairperson, Grace McGlothen at 649-7174. Other sorority members are: Jessica Perkins, Claudette Whitson, Simmie Daniels, Joyce Wilson, Honorary Member Bobby Troutman, Gilda Austin, Lurlene Howard, Yolanda Arrington, Brendia Crosby, Dorothy Powell, Winnie Palmer, Dorothy Roberts, Veoletta Hubbard, Quinsella Rivers, and Shelia Gilchrist.

DEEPEST SYMPATHY

We want to express our deepest sympathy to the family of Dr. Thomas Wilson who passed on to glory while attending services at Desert Hills Baptist Church where he was a devout member.

Dr. Wilson was also very well-known as a Professor of Education at the University of Las Vegas-Nevada, Past President of the Las Vegas Association of Black School Educators, and columnist for the Las Vegas Sentinel-Voice newspaper.

We will miss singing with him in the Black Educator's choir. He has touched so

many lives during his sojourn on this earth.

Our deepest sympathy is extended to his lovely wife Kathryn and family.

Sad news has also reached Las Vegas concerning the recent demise of Henry Simmons, a former resident of Van Ert St. in North Las Vegas and husband of Lacyrene Simmons who is a recent retiree from the Clark County School District. Lacyrene was so happy when she left Las Vegas for Arkansas after remarrying Henry. They were living happily there. Incidentally,

Henry Simmons had just retired about three days before he died in Arkansas. His death was a blow to his wife and family. His only brother is Fred Simmons, husband of Juanita Simmons of 1808 W. Nelson Street, North Las Vegas.

One by one we must go, so it behooves each and everyone to be prepared. Be kind and loving one to the other. Obey the commandments and live peaceably with all men.

May God comfort, bless and keep the bereaved family.

Mayor Bradley wins L.A. race

Mayor Tom Bradley won an unprecedented fourth 4-year term Tuesday, as chief executive of Los Angeles, the nation's second largest city.

'I'll be very pleased to be part of history', Bradley told reporters after voting with his wife, Ethel. 'I've enjoyed serving for the last 12 years. I look forward to my next administration.' Bradley, one of the USA's most popular black officials, defeated eight other candidates in the non-partisan mayoral race. Bradley, 67, a Democrat, needed at least 50 per-

cent of the vote to avoid a runoff election in June. He captured approximately 70% of the votes.
