

THE NAACP AND YOU!

Rev. Jesse D. Scott
President
Las Vegas, NAACP

Oct. 19, 1985 at the Holiday Inn Center Strip.

**Black Las Vegans
What's Your Problem?**

Why are you asleep? Why don't you wake up? Do you know that the house you live in and the job you have that there is a move on to take them away from you.

No matter what your position is and no matter how long you have had it, you have no security from the Union or management. Sooner than you think you may have to come to the NAACP for help!

So my advice to you is to stop talking and acting silly about who you are, what you can do. You can do nothing alone. You are just like the rest of us, one pay day from the Welfare rolls.

Word has come to me that certain Blacks have made remarks in their neighborhoods and at cocktail parties that they are not going to spend their money helping Black People. Be careful you may have to eat those words one day.

**Black Las Vegans Need
Unity and Strength**

Do you know that Black people are the only major population group in Las

Vegas and Southern Nevada that is not organized. According to my best information there is about 60,000 Blacks in Clark County.

A bonanza of power, influence and goodwill is lying dormant and unused. What a travesty! Every major group in the Entertainment Capitol of the world is prospering except us — the Black people.

To form a United Front of the various Black organizations in greater Las Vegas for Economic and political leverage would be a dream come true.

The following is a partial listing of groups that have organized and now they have Economic and political muscle to flex:

- The Mormon Church
- The Spanish Speaking community
- The Jewish community
- The white community (management and labor)
- Republican & Democratic parties

Remember you can make the difference. The late Dr. Martin Luther King, Jr. did.

Join the NAACP today.

Jobs and Complaints

Every Tuesday night at 8 p.m. a meeting is held in the Las Vegas Branch NAACP office located in the Nucleus Plaza Center at 940 West Owens.

The public is invited to attend either to seek a job or to make a complaint on employment discrimination. Robert Trimble has been appointed as Chairman of the Labor and Industry Committee and will serve in the dual roles of Coordinator of the Job Bank.

If you are looking for a job you are encouraged to come to the NAACP office and register. Bring a resume if you have one, if you don't have one come in and we will have you fill out an application for our office file.

The office hours are from 8 a.m. to 5 p.m. Feel free to call Robert Trimble for an appointment.

Fall NAACP Membership Campaign

Now that we are beginning to enter into the last half of 1985, our NAACP fall membership campaign is in full swing.

This is your last chance to enroll or renew your NAACP membership for 1985. Remember "You need the NAACP and the NAACP needs you!"

You can join the NAACP for only \$10 per year which is 83 cents per month or for less than the cost of a pack of cigarettes.

Those of you who have good positions of employment that the NAACP helped you to get, you should join "Club 100" by making a tax deductible donation to the NAACP of \$100.

This donation will entitle you to one ticket to come to the Freedom Fund Banquet,
