

# "Every time I help a chopper land, it puts me on cloud nine."

Loretta Dicks, Air Traffic Control

"A few years ago, I wasn't doing anything with my life, and I didn't like it. I had no goals. I needed a purpose, and the Army is where I found one.

"I knew the Army's air traffic control training wouldn't be easy, but after having gone through basic, I just looked upon it as another challenge to meet. The Army isn't only about building up your muscles—it builds up your self-confidence, too.

"Now I enjoy having goals and responsibilities, because the Army's taught me to handle them. Is it any wonder I feel I can touch the sky?"

The training and room for growth the Army offers could be the best way to get your future off the ground. See your local Army Recruiter, or call toll free 1-800-USA-ARMY. **ARMY.
