It's Harvest Time; Reaping What We Have Sown

This is the season that is commonly referred to as the fall of the year. A period when the days become shorter and the nights become cooler. Those of use who hail from the southern parts of the United States know that before you can have a harvest you first must have a planting.

We generally think of only one kind of harvest that is grain, nuts and food, but there are other kinds of harvest as well.

If we sew the seeds of love, honesty, kindness, respect, commitment, responsibility, truthfulness, loyalty, generosity, forbearance, patience, cooperation, togetherness, peace, joy, hope and long suffering our community will

reap a harvest of more employment, less Black on Black crime and more Blacks patronizing Black businesses.

We are overdue for a harvest of helping ourselves rather than waiting for someone to come and help us. We need to reap a harvest of more Black families staying together, fewer divorces and fewer babies being born out of wedlock.

The Holy Bible Tells Us That There Is A Time For Everything

Ecclesiastes 3rd Chapter says, To everything there is a season, and a time to every purpose under the heaven.

A time to be born and a time to die; a time to plant and a time to pluck up that which is planted.

A time to kill and a time to heal; a time to break down,

and a time to build up; A time to weep and a time to laugh; a time to mourn and a time to dance;

A time to cast away stones, and a time to gather stones together; a time to embrace; and a time to refrain from embracing;

A time to get and a time to loose; a time to keep, and a time to cast away;

A time to read, and a time to sew; a time to keep silent and a time to speak;

A time to love, and a time to hate; a time of war and a time of peace.

It's Harvest Time For Blacks In Nevada To Pull Together

The time has come when we must have a Black agenda for Nevada. When we formulate our agenda, we will be doing what all of the rest of the groups in the state have already done.

We must acquire the sophistication of disagreeing with one another without being disagreeable. There is nothing wrong about tooting your own horn as long as you don't think that you are the whole orchestra.

Of times we as Black people fail to reach high goals of progress, accomplishment and

excellency because we permit our attitude to prevent use from reaching our altitude.

Economically and politically speaking it's unforgiveable stupidity to have Black men and women of the competence and character of Bishop Webb, Pastors Willie Davis, Marion Bennett, S.P. Parks, Otis Harris, Bob Bailey, Lonie Chaney, Sarann Knight-Predy, Gwyn Brown-Coleman, Dr's James McMilliam, William Pearson; Senator Joe Neal, Assemblymen Arberry & Collins, Ed Brown, Mayor Pro Tem Theron Goynes, Councilman Bill Robinson, James Tyree, Sam Armstrong, Jimmy Gay, Marjorie Elliott, Thomas and Geraldine Leigh, Lubertha

Johnson, Ruby Duncan, Erma O'Neal, Pastor O.L. Jefferson, John Edmond, Booker Burney, Larry Wilburn, Lee Walker, Leonard Mason, Bessie Braggs, Attorneys James Porter, Dave Phillips, Audras Babero; Woodrow Wilson, Dr. Bernard Hamilton, June Whitley, Yvonne Atkinson, Dr. and Mrs. Porter Troutman, Ida Gaines, Ruby Garland and others too numerous to mention, not working together in the development of an agenda for Black people that will be mutually beneficial for all.

Let's have in 1986 a harvest of an untapped bonanza of political and economic power in Nevada before Gabriel blows his trumpet and the Lord comes back for us. This is an idea

whose time has come.
